Redmond Pedestrian and Bicycle Advisory Committee

June 8, 2009 6:30 PM City Hall Trestle Room

MEETING AGENDA

1. **166th Avenue NE Rechannelization Survey Results:** A Web based citizen survey was performed this spring to get feedback on the installation of the traffic signal at NE 104th St and 166th Ave NE along with the 4-to-3 lane rechannelization of 166th Ave NE from NE 100th St to NE 104th St. Tricia Thomson, City project manager, will present the results of the survey and discuss next steps with regards to the 166th Ave NE Rechannelization.
2. **Parks, Recreation, Open Space, Trails & Art Plan:** A citizen survey as well as multiple community meetings have been held on this topic since the Committee heard about this project in April 2009. Carolyn Hope, City project manager, will present what City staff heard form the community and what happens next. This plan will set the direction for investment in these areas over the next six years.
3. **Senior Center Wellness Program and Volkswalk in September:** Carolyn Hope will present information on this proposed program and gather ideas from the committee for possible routes.
4. **Transportation Facility Plan Update:** The Planning Commission and Council are updating the Transportation Facility Plan (TFP) and Buildout Plan in the Transportation Master Plan. The Planning Commission will hold a public hearing on June 10, 2009. Included in the proposed TFP project list are $22 million in nonmotorized improvement projects, particularly in Overlake. Joel Pfundt will provide a briefing on the proposed projects.
5. **Field Trip:** The committee will discuss and plan our July field trip.
6. **Updates:**
   a. NE 40th St Corridor Study
   b. Bicycle Facilities Design Manual
   c. Bicycle Wayfinding Grant
7. **Other Business:** Please bring any additional pedestrian and bicycle issues to share and discuss.

Next meeting is proposed for July 13, 2009. – Please let me know if there are any items you would like to see on the agenda.
