Chair Hank Myers called the meeting to order and overviewed the agenda.

4th Day Cafe

Mr. Phil Grieb, Fire Captain, presented information in regards to the 4th Day Café – Community Organizations Active in Disaster (COAD):

- Mission – The Redmond COAD is a community-based, volunteer organization that exists to help organize and deploy resources in an effective and timely manner in response to the unmet people-needs during the recovery phase following a disaster;
- 2001: Established;
- 2005: Subset of Redmond Citizens Corp Council (RCCC)
- 2006: 4th Day Café;
- 2008: Inactive;
- 2010: Reactivated; and
- 2011: 4th Day Cafes scheduled quarterly;
  - May 24, 2011; 5 p.m. – 7 p.m., Bytes Café;
  - August 23, 2011; 5 p.m. – 7 p.m., Bytes Café;
  - November 9, 2011; 5 p.m. – 7 p.m., Bytes Café.

Committee Chair Myers noted his desire to meet with the COAD in May at the beginning of their program. Chair Myers is to work on arrangements directly with Fire Department staff.

Fire Department Grants Updates

Members of the Fire Department reviewed current and pending grant applications with Members of the Committee. These grants included:

- 2009 Assistance to Firefighters Grant (AFG) for SCBA-related communications equipment;
- 2010 AFG for self-contained breathing apparatus (SCBA);
- 2010 AFG for electronic patient care reporting;
- 2010 FPS for hands-only CPR training and materials;
- 2010 Emergency Management Performance Grant;
- 2011 Emergency Management Performance Grant;
- King County EMS Injury Prevention;
- King County EMS Public Access Defibrillation (PAD), Project RAMPART;
- 2011 Interoperable Emergency Communications Grant Program; and
- AFG 2011 Grant; "Integrated Risk Management".

Members of the Committee discussed the status and scope of the grants, and timelines for production.

Members of the Committee noted their desire to know which hospitals would be participating in the 2010 AFG for electronic patient care reporting. Deputy Fire Chief Duran noted that he would follow-up with regards to participating hospitals, and would report his findings separately to the Committee.

Crime Mapping

Police Chief Ron Gibson report to the Committee regarding the City's desire to institute a crime map of Redmond. The map would show criminal activity taking place in neighborhoods and associated case report information. Car accidents will be included in the reporting; however, information related to specific family crimes occurring in homes would not be included in the reporting.

2011 Committee Work Plan

Members of the Committee discussed the 2011 work plan items. Staff relayed that they would touch base directly with Committee Chair Myers for any changes needed on the plan. Chief Gibson noted that he would also get back with Chair Myers regarding discussion of Police Department performance measures.

Chair Myers noted his desire to visit various fire stations during the course of the year; he will work with staff to schedule these dates and locations.
