Potential BP-MP Overlay

Manufacturing Park Zone? The overlay would maintain

opportunity for manufacturing and business park uses while allowing limited retail uses.

Questions to Consider

Your thoughts: do you support this, and why?

- Is there a need for this?
- Are the potential locations appropriate?
- Would retail uses be compatible with business/manufacturing uses?
- Would allowing limited retail increase/decrease the attractiveness of these areas for business/manufacturing uses?

Is a great idea Might or might not work Is not right for

Southeast Redmond

Overall I think this:
