Human Services

What are they?

- support and strengthen families so they can thrive while living and working in Redmond
- engage families and other stakeholders in family-centered community building

Why Human Services?

Research done by the city in 2009 found:

Redmond families were increasingly stressed and in need of additional community supports

Why Human Services?

Research done by the city in 2009 found:

Some residents of Redmond are isolated, and others lack community connection
