Voluntary Term Life Insurance Plan

NOTICE

Benefits paid under the Accelerated Benefits provision will reduce the Death Benefit payable for life insurance.

Benefits payable under the Accelerated Benefits provision may be taxable. If so, the Employee or the Employee's beneficiary may incur a tax obligation. As with all tax matters, an Employee should consult with a personal tax advisor to assess the impact of this benefit. Accelerated Benefits are not payable if life insurance coverage under the Policy is not in force.

WHO IS ELIGIBLE

Classes of Eligible Persons

A person may be insured only once under the Policy, even though he or she may be eligible under more than one class.

Employee

If you qualify under the Class Definition shown in the Schedule of Benefits, you are eligible to be insured under the Policy on the Policy Effective Date, or the day after you complete the applicable Eligibility Waiting Period, if later. The Eligibility Waiting Period will not apply if you are in Active Service on the Policy Effective Date and you satisfied the Eligibility Waiting Period, if any, of the Prior Plan. Credit will be given for any time you satisfied.

If you have previously converted your insurance under the Policy, you will not become eligible until your converted policy is surrendered. This does not apply to any amount of insurance that was previously converted under the Policy due to a reduction in your Life Insurance Benefits based on age or a change in class unless those conditions no longer affect the amount of insurance available to you.

Except as noted in the Reinstatement Provision, if you terminate coverage and later wish to reapply, or if you are a former Employee who is rehired, a new Eligibility Waiting Period must be satisfied. You are not required to satisfy a new Eligibility Waiting Period, if insurance ends because you are no longer in a Class of Eligible Employees, but continue to be employed by the Employer, and within one year you become a member of an eligible class.

Spouse

Your Spouse is eligible to be insured on the date you are eligible or the date he or she becomes your Spouse, if later. You must be insured in order to elect spouse coverage.

For eligibility purposes, your Spouse must be a lawful Spouse and not legally separated from, divorced from, or widowed by you. He or she must be under age 70 to be eligible.

Dependent Child

Your Dependent Child is eligible to be insured on the date you are eligible or the date the child becomes a Dependent Child, if later.

In no event will a Dependent Child be eligible to be insured more than once under the Policy.

TL-004710

WHEN COVERAGE BEGINS

If you are required to contribute to the cost of this insurance, you may elect insurance for yourself, your Spouse and Dependent Children only by authorizing payroll deduction in a form approved by the Employer and us. The effective date of this insurance depends on the date and amount of insurance elected.

If you elect coverage within 31 days after you become eligible to enroll or increase coverage, the Guaranteed Issue Amount will be effective on the latest of the following dates:

- 1. The Policy Effective Date.
- 2. The date you authorize payroll deduction for this insurance.
- 3. The date the Employer or Insurance Company receives the completed enrollment form.

If you elect insurance in an amount that exceeds the Guaranteed Issue Amount or if your enrollment form is received more than 31 days after you become eligible to elect coverage, this insurance is effective on the date we agree in writing to provide this coverage. We will require an eligible person to satisfy the Insurability Requirement before we agree to insure him or her.

If coverage for a Dependent Child is in force and you acquire another Dependent Child, coverage for that child is effective on the date he or she qualifies as a Dependent Child.

If you, your Spouse or Dependent Children are not in Active Service on the date insurance would otherwise go into effect, it will be effective on the date you, your Spouse or Dependent Children return to Active Service.

TL-004712

WHEN COVERAGE ENDS

Coverage will end on the earliest of the following dates.

- 1. The date you are eligible for coverage under a plan intended to replace this coverage.
- 2. The date we terminate the Policy.
- 3. The date you, your Spouse or Dependent Children are no longer eligible.
- 4. The day after the end of the period for which required premiums are paid.
- 5. If you are an Employee, the date you are no longer in Active Service.
- 6. If you are an Employee, Spouse or Dependent Child, the date the Employer cancels participation under the Policy.

In addition, coverage for your Spouse or Dependent Child, if any, will end on the date your insurance ends.

TL-004714

WHEN COVERAGE CONTINUES

Continuation for Temporary Leave of Absence or Family Medical Leave

If you are an Employee and your Active Service ends due to an Employer approved unpaid leave of absence or family medical leave, your insurance will continue if the required premium is paid.

In these circumstances, your insurance may continue as follows.

- 1. For an Employer approved unpaid leave of absence, up to 6 months.
- 2. For an Employer approved family medical leave, up to 12 weeks.

Continuation of Life Coverage During Labor Disputes

If your Active Service ends because of a Labor Dispute and your premium for Life Insurance Benefits under the Policy is paid either by the Employer, in whole or in part, or by you through payroll deductions, then you may continue your Life Insurance Benefits. The Employer will send you written notice of the right to continue coverage at your most recent address as on file.

To continue coverage, you must pay premiums directly to the Employer, who will remit the premiums to us. Premiums must be paid by the date they are due, subject to the 31 day grace period. Policy coverages and premiums will stay the same during a Labor Dispute; however, we may make normal changes in premium rates when the Policy is renewed, under the terms set forth in the Policy.

Coverage continued in this manner will end on the earliest of the following dates.

- 1. The date the labor dispute has ended.
- 2. The date coverage has been continued for 6 months.

If the labor dispute continues beyond 6 months, you may apply for an individual insurance policy, as set forth in detail under "Conversion Privilege for Life Insurance."

"Labor Dispute," as used here, means a strike, lockout, or other labor dispute between the Employer and its Employees, during which time the Employee is not paid by the Employer.

TL- 004716 (WA)

Waiver of Premium

If you are an Employee under age 60 and your Active Service ends due to Disability, Life Insurance Benefits will continue for you, your Spouse and Dependent Children, if any until the earliest of the following dates.

- 1. The date you are no longer Disabled.
- 2. The day after the end of the period for which required premiums are paid.
- 3. The date you no longer qualify for Waiver of Premium.
- 4. To Age 65.

In order to qualify for Waiver of Premium, you must submit due proof that you have been Disabled for 9 months. Such proof must be submitted to us no later than 12 months from the date your Active Service ends. Premiums will be waived from the date the Insurance Company agrees in writing to waive your premiums. After premiums have been waived for 12 months, they will be waived for future periods of 12 months if you remain Disabled and submit due proof that your Disability continues. Satisfactory proof must be submitted to us 3 months before the end of the 12 month period.

If you die during this period, we will pay the Life Insurance Benefit in effect on the day before you became Disabled, if satisfactory proof of your continuous Disability is received within one year of your death. However, this benefit will be subject to the provisions of the Policy that may reduce or terminate coverage on account of age, retirement, acceleration or a change in eligible class.

The Death Benefit will be equal to the Life Insurance Benefit in effect on the date you became Disabled. However, this benefit will be subject to the provisions of the Policy that reduce or terminate coverage on account of age, retirement, acceleration or a change in eligible class. Automatic increases in Life Insurance Benefits will end while premiums are waived.

Termination of Waiver

Your insurance will end on the earliest of the following dates.

- 1. The date you are no longer Disabled.
- 2. The date you refuse to submit to any physical examination required by us.
- 3. The last day of the 12 month period of Disability during which you fail to submit satisfactory proof of your continued Disability.
- 4. To Age 65.

Portability Options

For Employees

If your employment ends prior to age 70, you may continue Life Insurance Benefits. Benefits will continue in an amount elected, subject to the Maximum Benefit allowable for Life Insurance Benefits in effect on the date you no longer qualify as an Employee. Any amount elected in excess of the Life Insurance Benefits in effect on the date you no longer qualify as an Employee will be effective on the date we agree in writing to insure you. To continue coverage, you must submit an application to us and pay the required premium. If you continue coverage, you may also continue coverage for your Spouse or Dependent Child in the amount in force on the date coverage would otherwise end. If you do not elect to continue insurance within 31 days after your employment ends, you may not elect this coverage at a later date.

If you continue coverage in this manner you will become a Former Employee. A Spouse whose coverage is continued will become a Spouse of a Former Employee. Coverage will be effective on the first of the month following the date your coverage as an Employee ends, provided we receive your completed application and the required premium is paid.

If, as a Former Employee, you later acquire a Spouse or Dependent Child, you may elect coverage for them by submitting an application to us and paying the required premium. Coverage for your Spouse or Dependent Child will be effective on the date we agree in writing to insure them, if it is not in effect on the date your coverage as an Employee ends. We may require your Spouse or Dependent Child to satisfy the Insurability Requirement before we agree to insure him or her.

Coverage continued in this manner will end on the earliest of the following dates.

- 1. The date we cancel coverage for all members of your class.
- 2. The day after the end of the period for which required premiums are paid.
- 3. The date the Insured is age 70.

Also, coverage for any Dependent Child will end on any of the dates listed above or when he or she no longer qualifies as a Dependent Child, if earlier.

For Spouses

If a Spouse is legally separated or divorced from, or widowed by, an insured Employee or Former Employee prior to age 70, he or she may continue Life Insurance Benefits. Benefits will continue in an amount elected, subject to the Maximum Benefit allowable for Life Insurance Benefits. Any amount elected in excess of the Life Insurance Benefits in effect on the date he or she no longer qualifies as a Spouse will be effective on the date we agree in writing to insure him or her. To continue coverage, the Spouse must submit an application to us and pay the required premium.

If a Spouse continues coverage, he or she may also continue coverage for a Dependent Child covered under the Policy on the date coverage would otherwise end. If a Spouse does not elect to continue insurance within 31 days after coverage ends, he or she may not elect this coverage at a later date.

A Spouse who continues coverage in this manner will become a Former Spouse and will be issued a separate certificate of insurance. Coverage will be effective on the first of the month following the date his or her coverage as a Spouse ends, provided we receive the completed application and the required premium is paid.

Coverage continued in this manner will end on the earliest of the following dates.

- 1. The date we cancel coverage for all members of the Insured's class.
- 2. The day after the end of the period for which premiums are paid.
- 3. The date the Insured is age 70.

In addition, coverage for a Dependent Child will end on any of the dates listed above or when he or she no longer qualifies as a Dependent Child, if earlier.

For Dependent Children

If a Dependent Child is insured under the Policy and is at least 19 years of age, he or she may continue Life Insurance Benefits by electing an amount of insurance in units of \$25,000 up to a maximum benefit of \$50,000. To continue coverage, the Dependent Child must submit an application to us and pay the required premium.

If a Dependent Child does not elect to continue insurance within 31 days after reaching age 19 or the date he or she no longer qualifies as a Dependent Child, if later, he or she may not elect to be insured under this option at a later date.

A Dependent Child who continues coverage in this manner will become a Former Dependent Child and will be issued a separate certificate of insurance. Coverage will be effective on the following dates.

- 1. For any Guaranteed Issue Amount, the first of the month following the date the Dependent Child's coverage ends, provided we receive the completed application and required premium.
- 2. For any amount of insurance that exceeds the Guaranteed Issue Amount, the date we agree in writing to insure him or her. We will require the Former Dependent Child to satisfy the Insurability Requirement before we agree to insure him or her.

Coverage continued in this manner will end on the earliest of the following dates.

- 1. The date we cancel coverage for all members of the Insured's class.
- 2. The day after the end of the period for which premiums are paid.
- 3. The date the Insured is age 70.

WHAT IS COVERED

LIFE INSURANCE BENEFITS

Death Benefit

If an Insured dies, we will pay the Life Insurance Benefit in force for that Insured on the date of his or her death.

TL-004730

Seatbelt Benefit

We will pay 10% of your Life Insurance Benefits in force on the date of an Accident or \$10,000, if less, if you die as a result of an Accident and the following conditions are met.

- 1. The Accident occurs while you are covered as an Employee under the Policy.
- 2. You are driving or riding as a passenger in a Private Passenger Car, the car is equipped with seatbelts and the seatbelt was in actual use and properly fastened at the time of the Accident. The use and position of the seatbelt must be certified in the official report of the Accident. However, if an official report is not available or it is unclear if you were properly wearing a seatbelt, we will pay \$1,000. If such report indicates that a seatbelt was not in use, we will not pay any benefits under this provision.

The Seatbelt Benefit will not be paid for an Accident which occurs while you are participating in a race, speed or endurance test.

"Private Passenger Car" means a validly registered four-wheel vehicle limited to private passenger cars, station wagons, jeeps, pick-up trucks and van-type cars.

TL-004734

Accelerated Benefits

Any benefits payable under this Accelerated Benefits provision will reduce the Death Benefit payable for Life Insurance. Any automatic increases in Life Insurance Benefits will end when benefits are payable under this provision.

Terminal Illness Benefit

We will pay a Terminal Illness Benefit if we determine you or your Spouse are Terminally Ill. The amount of this benefit is 50% of the Life Insurance Benefit in effect for you or your Spouse on the date we determine you are Terminally Ill up to the Maximum Benefit Amount shown in your Schedule of Benefits for this option. The Terminal Illness Benefit is payable only once in an Insured's lifetime.

Determination of Terminal Illness

For the purpose of determining the existence of a Terminal Illness, we will require you to submit the following proof.

- 1. A written diagnosis and prognosis by two Physicians licensed to practice in the United States.
- 2. Supportive evidence satisfactory to us, including but not limited to radiological, histological or laboratory reports documenting the Terminal Illness.

We may require, at our expense, you to be examined and a review of the documented evidence by a Physician of our choice. In the event the Physician representing us disputes the existence of a Terminal Illness, as defined below, and the dispute cannot be resolved, you have the right to mediation and binding arbitration in accordance with WAC 284-23-730.

"Terminal Illness" means a person is diagnosed by a Physician to have a prognosis of 12 months or less to live.

TL-004748 (WA)

Conversion Privilege for Life Insurance

If coverage ends for any reason except non-payment of premium, any Insured may apply for a conversion policy of life insurance.

The conversion insurance may be a type of life insurance currently being offered for conversion by us at your age and in the amount requested. It may not be term insurance and it may not be for an amount greater than the Life Insurance Benefits in force under the Policy. Conversion life insurance will not provide accident, disability or other benefits.

However, if coverage ends because the Policy is terminated or amended to terminate any class of Insureds, or the Employer cancels participation under the Policy, coverage cannot be converted unless you have been insured under the Policy for at least 5 years. In this case, the amount of conversion insurance will be the lesser of Life Insurance Benefit in force under the Policy or \$10,000.

To apply for conversion insurance, you must submit an application to us and pay the required premium within 31 days after coverage under the Policy ends. Evidence of insurability is not required. Premium for the conversion insurance will be based on your age and class of risk and the type and amount of coverage issued.

Conversion insurance will become effective on the 31st day after the date coverage under the Policy ends, if your application is received by us and the required premium is paid on that date.

If you die during the 31 day conversion period, the Death Benefit will be paid under the Policy regardless of whether you applied for conversion insurance. If a conversion policy is issued, it will be in exchange for any benefits payable for that type and amount of insurance under the Policy.

Extension of Conversion Period

If you are eligible for conversion insurance and are not notified of this right at least 15 days prior to the end of the 31 day conversion period, the conversion period will be extended. You will have 15 days from the date notice is given to apply for conversion insurance. In no event will the conversion period be extended beyond 90 days. Notice, for the purpose of this section, means written notice presented to you by your Employer or mailed to your last known address as reported by your Employer.

If you die during the extended conversion period, but more than 31 days after your coverage under the Policy terminates, Life Insurance Benefits will not be paid under the Policy. If your application for conversion insurance is received by us and the required premium is paid, Life Insurance Benefits will be payable under the conversion insurance.

Prior Conversion Limitation

If you are covered under a life insurance conversion policy previously issued by us under the Policy, you will not be eligible to exercise this Conversion Privilege unless the prior coverage has ended. This does not apply to any amount of insurance that was previously converted under the Policy due to a reduction in your Life Insurance Benefits based on age or a change in class unless that condition no longer affects the amount of coverage available to you.

TL-004750

CLAIM PROVISIONS

Notice of Claim

Written notice of claim, or notice by any other electronic/telephonic means authorized by us, must be given to us within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by us, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's name, the Policy Number and the claimant's name and address.

Written notice, or any other electronic/telephonic means authorized by us, of a diagnosis of a Terminal Illness on which claim is based must be given to us within 60 days after the diagnosis. If notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written notice, or any other electronic/telephonic means authorized by us, was given as soon as reasonably possible.

Claim Forms

When we receive notice of claim, we will send claim forms for filing proof of loss. If we do not send claim forms within 15 days after notice is received by us, the proof requirements may be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by us, of the nature and extent of the loss.

Claimant Cooperation Provision

If you fail to cooperate with us in our administration of your claim, we may terminate the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data

The Employer is required to cooperate with us in the review of claims and applications for coverage. Any information we provide to the Employer in these areas is confidential and may not be used or released by the Employer if not permitted by applicable laws.

Proof of Loss

You must provide written proof of loss to us, or proof by any other electronic/telephonic means authorized by us, within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by us, must be given not more than one year after the 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is provided outside of these time limits, the claim will be denied. These time limits will not apply due to lack of legal capacity.

Written proof, or any other electronic/telephonic means authorized by us, of loss for Accelerated Benefits must be furnished 90 days after the date of diagnosis. This proof must describe the occurrence, character and diagnosis for which claim is made.

In case of claim for any other loss, proof must be furnished within 90 days after the date of such loss.

If it is not reasonably possible to submit proof of loss within these time periods, we will not deny or reduce any claim if proof is furnished as soon as reasonably possible. Proof must, in any case, be furnished not more than a year later, except for lack of legal capacity.

Time of Payment

Benefits due under the Policy for a loss, other than a loss for which the Policy provides installment payments, will be paid immediately upon receipt of due written proof of such loss.

Subject to the receipt of satisfactory written proof of loss, all accrued benefits for loss for which the Policy provides installment payments will be paid monthly; any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof, unless otherwise stated in the Description of Benefits.

To Whom Pavable

Death Benefits will be paid to the Insured's named beneficiary, if any, on file at the time of payment or to the certificate owner if alive. If there is no named beneficiary or surviving beneficiary, Death Benefits will be paid to the first surviving class of the following living relatives: spouse; child or children; mother or father; brothers or sisters; or to the executors or administrators of the Insured's estate. We may reduce the amount payable by any indebtedness due.

All benefits payable under the Accelerated Benefits section are payable to the Insured, if living. If the Insured dies prior to the payment of an eligible claim for an Accelerated Benefit, benefits will be paid in accordance with the provisions applicable to the payment of Life Insurance proceeds, unless the Insured has directed us otherwise in writing. However, any payment made by us prior to notice of the Insured's death shall discharge us of any benefit that was paid.

All other benefits unless otherwise stated in the Policy, will be payable to the Insured or the certificate owner if other than the Insured.

Any other accrued benefits which are unpaid at your death may, at our option, be paid either to your beneficiary or to the executor or administrator of your estate.

If we pay benefits to the executor or administrator of your estate or to a person who is incapable of giving a valid release, we may pay up to \$1,000 to a relative by blood or marriage whom we believe is equitably entitled. This good faith payment satisfies our legal duty to the extent of that payment.

Change of Beneficiary

You may change your beneficiary at any time by giving written notice to the Employer or to us. The beneficiary's consent is not required for this or any other change which you may make unless your designation of beneficiary is irrevocable.

No change in beneficiary will take effect until the form is received by the Employer or us. When this form is received, it will take effect as of the date of the form. If you die before the form is received, we will not be liable for any payment that was made before receipt of the form.

Physical Examination and Autopsy

We may, at our expense, exercise the right to examine any person for whom a claim is pending as often as we may reasonably require. Also, we may, at our expense, require an autopsy unless prohibited by law.

Legal Actions

No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by us, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.

Time Limitations

If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which you live when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship

You have the right to choose any Physician who is practicing legally. We will in no way disturb the Physician/patient relationship.

TL-004724

ADMINISTRATIVE PROVISIONS

Premiums

The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

If an Insured's coverage amount is reduced due to acceleration of a Death Benefit, premium will be based on the amount of coverage in force on the day before the reduction took place. If the Insured's coverage amount is reduced due to his or her attained age, premium will be based on the amount of coverage in force on the day after the reduction took place.

Your Grace Period

If your required premium is not paid on the Premium Due Date, there is a 31 day grace period after each premium due date after the first. If the required premium is not paid during the grace period, insurance will end on the last day for which premium was paid.

Reinstatement of Insurance

Your coverage may be reinstated without satisfying the Insurability Requirement, if your insurance ends because you are on an unpaid leave of absence and you apply for Reinstatement within 31 days of your return to Active Service.

After your insurance ends, it may be reinstated at any date prior to five years after the date of termination if the following conditions are met.

- 1. The Policy is still in force.
- 2. You are eligible under the Policy.
- 3. You send us a written request for reinstatement and a new enrollment form.
- 4. The required premium is paid.
- 5. The Insurability Requirement, if applicable, is satisfied.

TL-004722

GENERAL PROVISIONS

Incontestability

All statements made by the Employer or by an Insured are representations not warranties. No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested.

Misstatement of Age

If an Insured's age has been misstated, we will adjust all benefits to the amounts that would have been purchased for the correct age.

Workers' Compensation Insurance

The Policy is not in lieu of and does not affect any requirements for insurance under any Workers' Compensation Insurance.

Assignment of Benefits

We will not be affected by the assignment of your certificate until the original assignment or a certified copy of the assignment is filed with us. We will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided insurance under the Policy is in effect. This insurance may not be levied on, attached, garnisheed, or otherwise taken for a person's debts. This prohibition does not apply where contrary to law.

Conformity with State Statutes

Any provision of the Policy in conflict with the applicable laws of your state on the date your insurance first becomes effective is amended to conform to the minimum requirements of such laws.

Clerical Error

A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.
