Scott Thomasson, Utility Engineering Manager, 425-556-2829  
Jeff Churchill, AICP, Senior Planner, 425-556-2492

**DATE:** January 22, 2013

**SUBJECT: STUDY SESSION: GENERAL SEWER PLAN AMENDMENT FOR ROSE HILL HEIGHTS SOUTH SUBAREA**

**PURPOSE**

Staff briefed the City Council on this proposed amendment to the General Sewer Plan at the Council's January 15, 2013, regular business meeting and at the Planning and Public Works Committee meeting on January 8, 2013. The purpose of this study session is to review the Planning Commission's recommendation on the proposal, and to work toward a Council decision on the matter.

To help make the best use of Council's time, staff requests that Council members identify in advance particular questions or issues that Council members wish to discuss at the study session. Planning and Utility staff will attend to provide information and answer questions.

**PLANNING COMMISSION REPORT**

Staff provided the Planning Commission Report electronically on January 11, 2013. It is also available online at [www.redmond.gov/PlanningCommission](http://www.redmond.gov/PlanningCommission) by navigating to the Topics Under Review page.

**NEXT STEPS**

The City Council is the decision-making body for Comprehensive Plan amendments. Council action on the requested amendment will be scheduled following the study session.

Please contact Jeff Churchill ([jchurchill@redmond.gov](mailto:jchurchill@redmond.gov)) with questions or issues for discussion.
