REDMOND, WA 98052

StoryWalk™ is an exciting initiative that combines a children's story with a popular walking route. Pages from Children's books are placed at regular intervals along paths so readers can follow the story as they walk the route. StoryWalk™ helps build children's interest in reading while encouraging healthy outdoor activity for both adults and children.

StoryWalk™ coming to a trail near you!

The StoryWalk™ Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Vermont Bicycle & Pedestrian Coalition and the Kellogg Hubbard Library.
