Project & Program Updates

Grass Lawn Park Stairs Renovation – Staff are expanding the concrete stairs located near the large net play area. The existing stairs are too narrow and do not align with the adjacent sidewalk. Work performed included demolition, excavation, installing concrete forms, and pouring concrete.

Kiwanis Club Volunteers – The Kiwanis Club of Redmond performed their quarterly litter clean-up of the Redmond Central Connector. 11 volunteers performed 21.5 hours of service picking up litter and debris along the trail. We greatly appreciate the maintenance assistance the club provides!
