MEETING AGENDA

1. Welcome by Chair Nick Roy (6:30 pm)

2. Featured Item – Redmond Zoning Code (RMZ) ReWrite – Phase 1 for 2020-2021 (6:35 pm)

2020 was the 10-year anniversary of Redmond’s current Zoning Code. The City is taking the opportunity to make code enhancements – establishing a foundation for other changes in the coming years. The rewrite is a multi-year, multi-phase process. Phase 1 began in 2020 and is anticipated for Council action in late 2021/early 2022 (additional phases to follow).

The RMZ provides a regulatory framework in which bicycle and pedestrian projects can be designed and implemented. Staff is seeking preliminary questions and comments from PBAC (and the City’s other boards and commissions) prior to initializing the formal review process.

Planning staff Kim Dietz will give an overview of the rewrite, take questions, and invite feedback from PBAC. Additional details are in Attachment B and on the City’s [website](#).

3. Summer Field Trip Planning (7:10 pm)

Staff is tentatively planning a late summer PBAC walking field trip. The goal is to feature and experience some of the City’s pedestrian facilities, pedestrian-accessible destinations, or other active transportation highlights (e.g. Redmond Central Connector Linkages, intersection(s) in the crosswalk color treatment pilot, etc.).

PBAC will discuss a potential route/sites and possible dates for the field trip.

4. Updates (7:30 pm)

- a. 520 Trail Grade Separation at 40th St.
- b. City Bike Month Proclamation (Attachment C)

For questions or concerns, please contact Tam Kutzmark ♦ 425.556.2870 ♦ tkutzmark@redmond.gov
