MEETING AGENDA

1. Welcome by Chair Nick Roy (6:30 pm)

2. Featured Item – NE 90th Street Preservation Project (6:40 pm)

Staff is seeking PBAC feedback on design alternatives for a potential bike facility along NE 90th Street. Planning staff Peter Dane will give an overview of this potential project, walk PBAC through the options, and gather feedback from the Committee (materials to be provided at the meeting).

3. Featured Item – Redmond 2050 – Transportation Master Plan Update (7 pm)

Staff will brief PBAC on the status of the TMP update. The briefing will focus on 1) updates to the Transportation Element of the Comprehensive Plan that are required by state and regional processes, and 2) review and discussion of transportation-related policy options and alternatives.

At the meeting, Planning staff Jeff Churchill and Tam Kutzmark will facilitate discussion, take questions, and gather feedback from the Committee. Additional details are in Attachment B.

4. Updates (7:45 pm)

- a. Field Trip Planning: The summer walking field trip has so far faced scheduling and logistical challenges. PBAC will discuss whether to try for an October 11 trip or wait until Summer 2022.

5. Other Items for the Good of the Order (7:55 pm)
