MEETING SUMMARY
Redmond Pedestrian and Bicycle Advisory Committee
March 11, 2019 6:30 PM City Hall

ATTENDEES: Shelly Bowman, Lizette Hedberg, Lorraine Josifek, Duane Nakano, Arnie Tomac, Glenn Eades, Ryan Bianchi

CITY STAFF: Peter Dane, Jeff Churchill

MEETING SUMMARY

1. Sound Transit 3 Downtown Redmond Link Extension Briefing: PBAC enjoyed a presentation from staff regarding future pedestrian and bicycle improvements in the vicinity of future Sound Transit construction. PBAC is concerned about certain aspects of design and would like

2. Complete Streets and the Transportation Master Plan: Redmond takes a plan based approach to complete streets to determine

3. Robot Delivery: The Washington State Legislature is advancing a bill which would allow package delivery robots to be operated on sidewalks throughout the State. PBAC was concerned about use of sidewalk space but has also seen other new products, such as segways, that have failed to take hold and impact pedestrians on sidewalks.

4. Updates:
   - Bike Share
     - City Council will held a study session regarding bike share on March 26th
   - Website
     - Redmond will be updating the City website later this year, including the PBAC webpage
