

**INTERLOCAL AGREEMENT BETWEEN SAMMAMISH AND REDMOND
FOR TRANSFER AND DEVELOPMENT OF PARK PROPERTY**

THIS AGREEMENT is entered into between the City of Sammamish ("Sammamish") and the City of Redmond ("Redmond"), municipal corporations of the State of Washington, for the purposes hereafter mentioned.

RECITALS

A. Redmond is the owner of certain parcels of real property located on and adjacent to East Lake Sammamish Parkway and more particularly described on Exhibit A attached to this Agreement and incorporated herein by this reference as if set forth in full. Redmond purchased the parcels in the 1990s for the project then known as the City of Redmond's East Lake Sammamish Waterfront Park.

B. Since Redmond's purchase of the parcels, the City of Sammamish has incorporated and the parcels owned by Redmond are now located within Sammamish. Sammamish has expressed a desire to acquire the parcels from Redmond for use as a park and Redmond has agreed to transfer the parcels to Sammamish so that the parties' joint vision of providing a park that can be used by residents of both cities and that can provide access to recreational trails and the shoreline of Lake Sammamish can be realized.

C. The parties now wish to set forth their agreements concerning the transfer and development of the East Lake Sammamish Waterfront Park property in writing.

AGREEMENT

IN CONSIDERATION OF the terms and conditions set forth below, the parties agree as follows:

1. **Purpose of Agreement.** The purpose of this Agreement is to provide the terms and conditions under which Redmond will transfer its interest in the parcels of real property described on Exhibit A to Sammamish, as well as the manner in which the parties' joint vision of a public park on said property will be realized.

2. **Redmond to Transfer Property to Sammamish.** Redmond agrees to transfer the parcels of real property described on Exhibit A to Sammamish within thirty (30) days after this Agreement is signed by both parties. Title shall be conveyed by Quit Claim Deed, upon the express condition that the parcels shall be used only for park, open space, trail, and other recreation purposes. Sammamish has inspected and knows the condition of the parcels and agrees to accept the same in "AS IS, WHERE IS" condition, including, without limitation, the existence or non-existence of any substance or material regulated as a hazardous substance, hazardous waste, toxic substance, pollutant or contaminant under any federal, state, or local law or regulation, including but not limited to the Model Toxics Control Act, RCW 70.105D. Redmond does not make and

specifically disclaims any and all warranties, express or implied, including any warranties as to title, merchantability or fitness for any purpose or regarding the presence or absence of hazardous materials, dangerous wastes, or contamination of any kind on the said parcels. Sammamish agrees that Redmond shall have no liability for, and that Sammamish hereby waives, releases and has no recourse against Redmond for, any deficiency or defect of any kind related to the said parcels, including but not limited to, claims for contribution against Redmond under the Model Toxics Control Act or any other state, federal, or local law, regulations, or ordinance relating to environmental contamination, without regard to whether such defect or deficiency was discovered or discoverable by Redmond or Sammamish prior to the conveyance.

3. Grant Agreements. Redmond purchased some of the parcels described on Exhibit A with grant funds from the 1993 King County Conservation Futures Acquisition Program and the 1989 King County Open Space Bond. Redmond entered into interlocal agreements with King County providing for receipt of the grant funds, expenditure of the grant funds for the parcels described on Exhibit A, and restricting the use of the parcels consistent with the purposes of the Conservation Futures and Open Space Bond programs. Redmond hereby assigns to Sammamish, and Sammamish hereby agrees to accept, Redmond's rights and obligations under the interlocal agreements between Redmond and King County regarding the Conservation Futures and Open Space Bond funds. Sammamish agrees to comply with all terms and conditions set forth in said agreements as they affect the parcels described on Exhibit A and agrees to indemnify, hold harmless, and defend Redmond, its officers, agents, and employees, from and against any and all claims that any action of Sammamish after conveyance of the parcels is in violation of said interlocal agreements.

4. Consideration. Sammamish shall not be required to pay any money to Redmond for the parcels described on Exhibit A. The consideration for conveyance of the parcels is Sammamish's agreement to abide by the terms and conditions of this interlocal agreement and Redmond and Sammamish agree that Sammamish's commitments herein constitute true and full value for Redmond's conveyance of the parcels and that Redmond's conveyance of the parcels constitutes true and full value for Sammamish's commitments herein. Sammamish agrees to pay all closing costs and recording fees necessary to effect the transfer of the parcels to Sammamish.

5. Duration of Agreement. This Agreement shall take effect upon signature by both parties and shall remain in effect for as long as Sammamish shall own the parcels described on Exhibit A.

6. Sammamish to Develop and Open Park. Sammamish is currently engaged in a master planning process for development of the parcels described on Exhibit A as a park. Potential uses under discussion are beach access, a trailhead and associated parking for the East Lake Sammamish Waterfront Trail and other potential parks, open space, and recreation uses. Sammamish agrees to complete its master planning process and to use its best reasonable efforts to develop the park according to the master plan ultimately chosen and open the same to public use by September 1, 2018. All design and

development of the park shall be at Sammamish's sole cost and expense. The cities recognize the challenges of municipal finance and the costs of waterfront development. The cities also commit to the goal of developing a public park on Lake Sammamish, and agree to work together towards that end. To insure success, the cities agree to meet no later than Sept 1, 2013 to review progress Sammamish has made to open the property for public access. If Sammamish is unable to open the property for public access by September 1, 2017 the cities will meet to determine the steps needed to prevent the property being returned to the City of Redmond. If the park is not opened for public use by September 1, 2018, Sammamish will deed the property back to Redmond without charge by December 31, 2018 and will pay all costs of doing so.

7. **Use of Park by Redmond Residents.** Redmond residents shall be allowed access to and use of the park to the same extent as Sammamish residents. There shall be no admission fee charged for entry to the park, and in the event that Sammamish imposes any fee for specific activities engaged in on the park property, Redmond residents shall not be charged any fee that is greater than that charged to residents of Sammamish.

8. **Maintenance of Park.** Upon transfer of the parcels described on Exhibit A from Redmond to Sammamish, all maintenance and repair of such parcels and any improvements thereon shall be the sole responsibility and at the sole cost and expense of Sammamish. Sammamish shall have sole responsibility for the maintenance, operation, and repair of any park improvements made to the property by Sammamish and any and all appurtenances thereto.

9. **Signage.** Redmond and Sammamish shall agree on a permanent sign to be located on the parcels described on Exhibit A which acknowledges the participation of both parties in providing the park for the public.

10. **Administration.** No separate legal entity is created by this Agreement. This Agreement shall be jointly administered by the Parks and Recreation Directors of Redmond and Sammamish.

11. **No Joint Property.** The parties do not intend to acquire any joint property or assets in connection with this Agreement. Once the parcels described on Exhibit A are conveyed by Redmond to Sammamish, sole ownership of the parcels shall be in Sammamish, subject only to the conditions set forth in the deed and this Agreement. All improvements to be made by Sammamish to the parcels described on Exhibit A shall be the sole property of Sammamish and Redmond shall have no ownership or other interest in the same.

12. **No Joint Venture.** The parties do not intend to create any partnership or joint venture by entering into this Agreement. The sole purpose of this Agreement is to establish the terms and conditions under which Redmond is transferring the parcels described on Exhibit A to Sammamish.

13. Indemnity.

A. Redmond agrees to indemnify, hold harmless, and defend Sammamish, its elected and appointed officials and employees from and against any and all claims, actions, sites, liability, loss, costs, expenses, and damages of any nature whatsoever, (i) that are caused by or result from a negligent act or omission of Redmond, its elected or appointed officials or employees, and (ii) that arise from events related to the parcels described on Exhibits A prior to the transfer of the property to Sammamish, except to the extent that indemnifying, defending, and holding Sammamish harmless is limited by Section 2 above.

B. Sammamish agrees to indemnify, hold harmless, and defend Redmond, its elected and appointed officials and employees from and against any and all claims, actions, sites, liability, loss, costs, expenses, and damages of any nature whatsoever, (i) that are caused by or result from a negligent act or omission of Sammamish, its elected or appointed officials or employees, and (ii) that arise from events related to the parcels described on Exhibits A after the transfer of the property to Sammamish, except to the extent that indemnifying, defending, and holding Redmond harmless is limited by Section 2 above..

14. Entire Agreement. This Agreement constitutes the entire Agreement between the parties concerning the transfer, development, and use of the parcels described on Exhibit A and supersedes any and all prior discussions and understandings. This Agreement may be amended only be written instrument executed by both parties.

15. Filing. As provided in RCW 39.34.040, this Agreement shall be filed with the King County Department of Records and Elections.
