INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT

Pursuant to Chapter 39.34 RCW and to other applicable laws, the City of Bothell Fire and E.M.S. Department and the City of Redmond, both public agencies of the State of Washington, hereby agree to cooperative governmental purchasing upon the following terms and conditions.

1. This Agreement pertains to bids and contracts for aid car apparatus and equipment only.
2. Each of the parties shall comply with all applicable laws and regulations governing its own purchases.
3. Each of the parties shall contract directly with the bidder contractor, vendor, supplier, or service provider, and pay directly in accordance with its own payment procedures for its own purchases. Each party will indemnify and hold the other party harmless as to any claim arising out of its participation in this Agreement.
4. Any purchase made pursuant to this Agreement is not a purchase from either of the parties. This Agreement shall create no obligation to either of the parties to purchase any particular good or service, nor create to either of the parties any assurance, warranty, or other obligation from the other party with respect to purchasing or supplying any good or service.
5. No separate legal or administrative entity is intended to be created pursuant to this Agreement. No obligation, except as stated herein, shall be created between the parties or between the parties and any applicable bidder or contractor.
6. The City Manager or his designee of the City of Bothell and the Purchasing Agent of the City of Redmond shall be representatives of the entities for carrying out the terms of this Agreement.
7. This Agreement shall continue in force until canceled by either party, which cancellation may be effected upon the receipt by one of the parties of the written notice of cancellation of the other party.
