

NON-MOTORIZED TRANSIT ACCESS IMPROVEMENT AGREEMENT

between

KING COUNTY, DEPARTMENT OF TRANSPORTATION, METRO TRANSIT DIVISION

and

CITY OF REDMOND

THIS NON-MOTORIZED TRANSIT ACCESS AGREEMENT (the "Agreement") is made and entered into by and between the City of Redmond, a municipality of the State of Washington, (the "City" or "Contractor") and King County, a political subdivision of the State of Washington, through its Department of Transportation, Metro Transit Division (the "County"), either of which entity may be referred to hereinafter as "Party" or collectively as the "Parties."

WHEREAS, the County has been awarded a Regional Mobility grant ("Grant") from the Washington State Department of Transportation ("WSDOT") that is expected to improve connectivity and mobility at overcrowded park-and-ride lots in King County by providing funding assistance to: implement a high occupancy vehicle ("HOV") parking permit program; increase on-site bicycle parking capacity at transit facilities along the I-5 and SR-520 corridors including, but not limited to, Northgate Transit Center Park-and-Ride, Redmond Park-and-Ride, and Federal Way Transit Center Park-and-Ride; and construct non-motorized system improvements connecting bikeways and walkways to other park-and-ride facilities and transit centers along these corridors; and

WHEREAS, for the non-motorized improvements element of the WSDOT Grant, the County intends to partner with local jurisdictions to fund and construct certain non-motorized system improvements connecting bikeways and walkways to overcrowded park-and-ride lots and transit centers; and

WHEREAS, the County and the City have mutual interest in improving non-motorized access to the Redmond Park-and-ride; and

WHEREAS, the Parties have identified a grant-eligible, capital improvement project that will support and improve non-motorized access to the Redmond Park-and-ride;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. PURPOSE OF AGREEMENT

The purpose of this Agreement is to establish the terms and conditions under which the County will pass-through a portion of the WSDOT Grant proceeds to help provide funding for the City to design and construct certain transit access improvements consisting, in summary, of a sidewalk and bicycle lane on the west side of Redmond-Woodinville Road in the vicinity of NE 109th Street (the "Project"), as more

particularly described in the Scope of Work ("SOW") set forth at Exhibit A, which is attached hereto and incorporated herein by this reference.

2. DUTIES AND RESPONSIBILITIES OF THE CITY

- 2.1 The City shall furnish the necessary personnel, equipment, material and/or services and otherwise do all things necessary for or incidental to design, construct and inspect the non-motorized improvements provided for in the Project description set forth in Exhibit A. The Project objectives and timelines are provided for with particularity in Exhibit A.
- 2.2 It shall be the City's responsibility to design and build the Project in compliance with applicable requirements of federal and state laws, codes, rules, regulations, ordinances, and standards, including, but not limited to, the Americans with Disabilities Act ("ADA"). The City shall also be responsible for obtaining any necessary permits; review and approval by federal, state or local regulatory agencies, if applicable; and for conducting any required environmental review. The City shall also be responsible for the administration and funding of any contracts it enters into for the performance of its responsibilities under this Agreement.
- 2.3 Upon completion, all Project improvements shall become the property of the City. The City shall be responsible for ongoing maintenance, repair and replacement of any Project improvements.
- 2.4 The City will provide the County with regular progress reports, at least quarterly, to identify work progress and other matters of significance in the performance of this Agreement.
- 2.5 The City has submitted design plans for the Project improvements to the County for its review. The County reviewed and provided written comments on the plans to ensure consistency with Grant requirements and the County's expectations for the Project. Should the City desire to change the final Project design after the County's initial review and approval of the initial design plans, whether based on additional engineering or traffic analysis, input from stakeholders, or other factors, the County's Contract Manager, as provided for in Section 18 of this Agreement, shall be notified of such proposed changes. Any such changes that are deemed significant by either of the Parties shall require joint written approval.
- 2.6 The City shall contribute 20% of the total project cost up to a maximum of \$125,000 in matching funds in support of the Project improvements.
- 2.7 This Agreement is subject to the requirements of the State Capital Construction Grant Agreement GCB 2289 (the "Grant Agreement"), pursuant to which the County, as the Grant recipient, agreed to include Sections 11 through 25 of the Grant Agreement, attached hereto as Exhibit B and incorporated herein by this reference, in each subcontract and in all contracts it enters into for the employment of any individuals, procurement of any incidental goods or supplies, or the performance of any work to be accomplished with funds awarded under the Grant Agreement. The County further agreed that those clauses shall not be modified in any such subcontract, except to identify the subcontractor or other person or entity that will be subject to its provisions. The City shall comply with the requirements of Exhibit B and shall ensure that any of its subcontractors comply with the requirements of Exhibit B when performing work pursuant to this Agreement.

3. DUTIES AND RESPONSIBILITIES OF THE COUNTY

- 3.1 The County will reimburse the City for a portion of the Grant-eligible costs incurred by the City to design and construct the non-motorized connections as provided for in the SOW set forth at Exhibit A. Under no circumstances will the County's contribution to the City's eligible Project costs exceed a maximum amount of \$500,000, which the County will pay with WSDOT Regional Mobility Grant funds.
- 3.2 The County's obligation to make such reimbursements is contingent upon the City providing 20% of the total project to a maximum amount of \$125,000.
- 3.3 As the Grant recipient, the County will be responsible for any reporting and/or invoicing for reimbursement from WSDOT that may be required under the terms of the Grant award.

4. INVOICE AND PAYMENT PROCEDURES

- 4.1 The County will reimburse the City for actual Grant-eligible costs incurred for work performed pursuant to this Agreement as identified in the SOW. The City shall submit a completed invoice to the County detailing quarterly activities, outcomes, expenses and reimbursement amount due within thirty (30) days of each quarter's end. The County shall pay the City within thirty (30) calendar days after the County has received completed invoices. In no event shall the total reimbursement to City for work performed pursuant to this Agreement exceed \$500,000.
- 4.2 In the event that it is determined that an overpayment has been made to the City by the County, the County will bill the City for the amount of overpayment. The City shall pay the County within thirty (30) days of receipt of an invoice for overpayment.

5. AGREEMENT TERM AND MODIFICATIONS

This Agreement shall be in effect upon execution by both Parties and shall remain in effect from the date of execution through September 30, 2019, unless extended by written amendment of the Parties pursuant to Section 15 or earlier terminated pursuant to the provisions of Section 7 of this Agreement.

8.4 Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Washington.

8.5 Jurisdiction and Venue. The King County Superior Court, situated in Seattle, Washington, shall have exclusive jurisdiction and venue over any legal action arising under this Agreement.

8.6 Mutual Negotiation and Construction. This Agreement and each of the terms and provisions hereof shall be deemed to have been explicitly negotiated between, and mutually drafted by, both Parties, and the language in all parts of this Agreement shall, in all cases, be construed according to its fair meaning and not strictly for or against either Party.

8.7 Survival. Each of the provisions of this Section 8 (Legal Relations) shall survive the expiration or earlier termination of this Agreement.

9. RECORDS RETENTION AND AUDIT

During the term of the Agreement and for a period not less than six (6) years from the date of its expiration or earlier termination, the records and accounts pertaining to this Agreement are to be kept available by both Parties for inspection and audit by the other Party and the State Auditor, and copies of all records, accounts, documents, or other data pertaining to the Agreement will be furnished upon reasonable notice. If any litigation, claim, or audit is commenced, the records and accounts along with supporting documentation shall be retained until all litigation, claim, or audit finding has been resolved even though such litigation, claim, or audit continues past the six-year retention period.

9.2 Disclosure of Public Records. Both Parties acknowledge and agree that all non-privileged, non-exempt records that may be maintained pursuant to Subsection 9.1 of this Agreement are subject to public disclosure under the Washington State Public Records Act, Chapter 42.56 RCW.

10. FORCE MAJEURE

Either Party to this Agreement shall be excused from performance of its responsibilities and obligations under this Agreement, and shall not be liable for damages due to failure to perform, during the time and to the extent that it is prevented from performing by a cause directly or indirectly beyond its control, including, but not limited to: late delivery or nonperformance by vendors of materials or supplies; any incidence of fire, flood, snow, earthquake, or acts of nature; strikes or labor actions; accidents, riots, insurrection, terrorism, or acts of war; order of any court or civil authority; commandeering material, products, or facilities by the federal, state or local government; or national fuel shortage; when satisfactory evidence of such cause is presented to the other Party to this Agreement, and provided that such non-performance is beyond the control and is not due to the fault or negligence of the Party not performing.

11. NONDISCRIMINATION

The City agrees to comply with all applicable federal, state, and local laws, rules, and regulations pertaining to nondiscrimination and agrees to require the same of any and all subcontractors providing services or performing any work using funds provided under this Agreement. The City agrees that it is fully responsible for the acts and omissions of its contractors, subcontractors, consultants, and their employees and agents, acting within the scope of their employment as such, as it is for the acts and omissions of its own employees and agents. The City agrees that its obligations under this provision extend to any claim, demand, and/or cause of action brought by or on behalf of any of its employees or agents. The foregoing indemnity is specifically and expressly intended to constitute a waiver of the City's immunity under Washington's Industrial Insurance Act, RCW Title 51, as respects the County only, and only to the extent necessary to provide the County, its elected officials, officers, employees, and agents with a full and complete indemnity of claims made by the City's employees. The Parties acknowledge that these provisions were specifically negotiated and agreed upon by them. The provisions of this Section 12 shall survive the expiration or earlier termination of this Agreement.

13. WAIVER

A failure by either Party to exercise its rights under this Agreement shall not preclude that Party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement unless stated to be such in a writing signed by an authorized representative of the Party and attached to the original Agreement.

14. SEVERABILITY

If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this Agreement, and to this end the provisions of this Agreement are declared to be severable.

15. CHANGES AND MODIFICATIONS

This Agreement may be changed, modified, or amended only by written agreement executed by authorized representatives of both Parties.

B. The CONTRACTOR agrees to include Sections 11 through 25 of this AGREEMENT in each subcontract and in all contracts it enters into for the employment of any individuals, procurement of any materials, or the performance of any work to be accomplished under this AGREEMENT. The PARTIES further agree that those clauses shall not be modified, except to identify the subcontractor or other person or entity that will be subject to its provisions. In addition, the following provision shall be included in an advertisement or invitation to bid for any procurement by the CONTRACTOR under this AGREEMENT:

Statement of Financial Assistance:

"This AGREEMENT is subject to the appropriations of the State of Washington."

Section 11 Reports and Project Use

A. The CONTRACTOR agrees that the Project shall be used for the provision of transportation services within the area indicated in Exhibit I Attachment A, for the term of the Project's plus four years after the project is complete, as set forth in WSDOT's Regional Mobility Grants Program Guidebook, and any subsequent amendments thereto. The CONTRACTOR further agrees that it will not use or permit the use of the Project in a negligent manner or in violation of any law, or so as to avoid any insurance covering the same, or permit the Project to become subject to any lien, charge, or encumbrance. Should the CONTRACTOR unreasonably delay or fail to use the Project during the project term and reporting period, the CONTRACTOR agrees that it may be required to refund up to the entire amount of the "State Regional Mobility Grants Funds" expended on the Project. The CONTRACTOR shall immediately notify WSDOT when any Project facilities and/or infrastructure is withdrawn from Project use or when the Project or any part thereof is used in a manner substantially different from that identified in Exhibit I, "Project Scope, Schedule and Budget" and Attachment A. If the Project is permanently removed from transportation services, the CONTRACTOR agrees to immediately notify WSDOT of its intentions regarding the disposal of the Project or any part of the Project thereof.

B. Reports. The CONTRACTOR shall submit quarterly reports to WSDOT for the Term of Project, regarding the progress of the Project and annual performance reports for four calendar years after the project is operationally complete, as prescribed in WSDOT's Regional Mobility Grants Program

Guidebook, and any subsequent amendments thereto or as WSDOT may require, including, but not limited to, interim and annual reports. The CONTRACTOR shall keep satisfactory written records with regard to the use of Project and shall submit the following reports to, and in a form and at such times prescribed by WSDOT as set forth in WSDOT's Regional Mobility Grants Program Guidebook, 2015 version, and any subsequent amendments thereto:

1. An approved Performance Measurement Plan must be on file with WSDOT before submitting the first reimbursement request.

3. Reports describing the current usage of the Project and other data which WSDOT may request from the CONTRACTOR by memos, e-mails or telephone requests.
4. In the event any portion of the Project sustains disabling damage, the CONTRACTOR shall notify WSDOT immediately after the occasion of the damage, including the circumstances thereof.
5. The CONTRACTOR shall collect and submit to WSDOT, at such time as WSDOT may require, such financial statements, data, records, contracts, and other documents related to the Project as may be deemed necessary by WSDOT.

C. Remedies for Misuse or Noncompliance. The CONTRACTOR shall not use the Project or any part thereof in a manner different from that described in Exhibit I, Project Scope, Schedule and Budget, and Attachment A, as set forth in Section 2 of the AGREEMENT. If WSDOT determines that the Project has been used in a manner different from Exhibit I, Project Scope, Schedule and Budget, and Attachment A, WSDOT may direct the CONTRACTOR to repay WSDOT the State funded share of the "Project Costs." WSDOT may also withhold payments should it determine that the CONTRACTOR has failed to comply with any provision of this AGREEMENT.

Section 12 Maintenance of the Project

The CONTRACTOR shall make all necessary repairs and reasonably maintain the Project to assure it remains in good and operational condition until the end of its useful life. The useful life of the constructed project is determined by WSDOT, indicated in the "Financial Plan Table" of the 2015-2017 Regional Mobility Grant Application that is based upon Architectural/Engineering (A&E) estimates, materials used and industry standards for the type of structure built. All service, materials, and repairs in connection with the use and operation of the Project during its useful life shall be at the CONTRACTOR's expense. CONTRACTORS who are transit agencies must also have a Transit Asset Management Plan certified by WSDOT that details the transit agency's plan to maintain the Project. All other CONTRACTORS must submit a written Maintenance Plan to WSDOT for approval prior to the occupation and/or operations of the Project. The CONTRACTOR agrees, at a minimum, to maintain the Project and service or replace parts at intervals recommended in the manuals and/or instructions provided by the subcontractors and/or component manufacturers, or sooner if needed. The CONTRACTOR shall have the Project routinely inspected and make arrangements for any appropriate service and repair under the manufacturer's warranty. WSDOT shall not be liable for repairs. The CONTRACTOR shall retain records

of all maintenance and parts replacement performed on the Project in accordance with Section 22, Audits, Inspection, and Retention of Records. The CONTRACTOR shall provide copies of such records to WSDOT, upon request.

Section 13 General Compliance Assurance

The CONTRACTOR agrees to comply with all instructions as prescribed in WSDOT's Regional Mobility Grants Program Guidebook and any amendments thereto. The CONTRACTOR agrees that, WSDOT and/or any authorized WSDOT representative, shall have not only the right to monitor the compliance of the CONTRACTOR with respect to the provisions of this AGREEMENT, but also have the right to seek judicial enforcement with regard to any matter arising under this AGREEMENT. It is understood by the CONTRACTOR that this assurance obligates the CONTRACTOR and any transferee of the CONTRACTOR, or said transferee's successor(s), for the term of this AGREEMENT."

Section 14 Compliance with State Design Standards

The CONTRACTOR agrees the Project design must comply with all Washington State Standard Specifications for Road, Bridge, and Municipal Construction (www.wsdot.wa.gov/Publications/Manuals/M41-10.htm), and any revisions thereto. Projects that wish to use design standards that differ from state standards must submit a request to WSDOT's Public Transportation Division and obtain documented approval before design work commences.

Section 15 No Obligation by the State Government

No contract between the CONTRACTOR and its subcontractors shall create any obligation or liability of WSDOT with regard to this AGREEMENT without WSDOT's specific written consent, notwithstanding its concurrence in, or approval of, the award of any contract or subcontract or the solicitations thereof and the CONTRACTOR hereby agrees to include this provision in all contracts it enters into for the design, acquisition, and construction of facilities and/or infrastructure related to the Project, or the performance of any work to be accomplished under this AGREEMENT.

Section 16 Ethics

A. Relationships with Employees and Officers of WSDOT. The CONTRACTOR shall not extend any loan, gratuity or gift of money in any form whatsoever to any employee or officer of WSDOT, nor shall the CONTRACTOR rent or purchase any Project equipment and materials from any employee or officer of WSDOT.

The CONTRACTOR will adhere to all of the nondiscrimination provisions in Chapter 49.60 RCW.

Section 18 State and Local Law

Except when a federal statute or regulation pre-empts state or, local law, no provision of this AGREEMENT shall require the CONTRACTOR to observe or enforce compliance with any provision, perform any other act, or do any other thing in contravention of state or local law. Thus if any provision or compliance with any provision of this AGREEMENT violates state, or local law, or would require the CONTRACTOR to violate state or local law, the CONTRACTOR agrees to notify WSDOT immediately in writing. Should this occur, WSDOT and the CONTRACTOR agree to make appropriate arrangements to proceed with or, if necessary, expeditiously, terminate the Project.

Section 19 Labor Provisions

Overtime Requirements. No CONTRACTOR or subcontractor contracting for any part of the Project work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty (40) hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty (40) hours in such workweek. Section 21 Accounting Records

A. Project Accounts. The CONTRACTOR agrees to establish and maintain for the Project either a separate set of accounts or separate accounts within the framework of an established accounting system that can be identified with the Project. The CONTRACTOR agrees that all checks, payrolls,

invoices, contracts, vouchers, orders, or other accounting documents pertaining in whole or in part to the Project shall be clearly identified, readily accessible and available to WSDOT upon request, and, to the extent feasible, kept separate from documents not pertaining to the Project.

B. Documentation of Project Costs and Program Income. The CONTRACTOR agrees to support all allowable costs charged to the Project, including any approved services contributed by the CONTRACTOR or others, with properly executed payrolls, time records, invoices, contracts, or vouchers describing in detail the nature and propriety of the charges. The CONTRACTOR also agrees to maintain accurate records of all program income derived from implementing the Project.

Section 22 Audits, Inspection, and Retention of Records

A. Submission of Proceedings, Contracts, Agreements, and Other Documents. During the term of the Project and for six (6) years thereafter, the CONTRACTOR agrees to retain intact and to provide any data, documents, reports, records, contracts, and supporting materials relating to the Project as WSDOT may require. Project closeout does not alter these recording and record-keeping requirements. Should an audit, enforcement, or litigation process be commenced, but not completed, during the aforementioned six (6) year period then the CONTRACTOR's obligations hereunder shall be extended until the conclusion of that pending audit, enforcement, or litigation process.

B. General Audit Requirements. The CONTRACTOR agrees to obtain any other audits required by WSDOT at CONTRACTOR's expense. Project closeout will not alter the CONTRACTOR's audit responsibilities.

The CONTRACTOR agrees to require each third party contractor to permit WSDOT, the State Auditor, or their duly authorized representatives, to inspect all work, materials, payrolls, maintenance records, and other data and records involving that third party contract, and to audit the books, records, and accounts involving that third party contract as it affects the Project.

Section 23 Permitting

The CONTRACTOR agrees to be solely responsible for all required Federal, State and/or local permitting as related to the Project.

Section 24 Loss or Damage to the Project

A. The CONTRACTOR, at its own expense, shall cover any loss, theft, damage, or destruction of the Project's facilities, associated equipment and/or infrastructure using either of the following methods:

1. The CONTRACTOR shall maintain property insurance for facilities, associated equipment and/or infrastructure adequate to cover the value of the Project; the CONTRACTOR shall supply a copy of the

Certificate of Insurance specifying such coverage to WSDOT with the first request for reimbursement, and supply proof of renewal annually thereafter; or

2. The CONTRACTOR shall certify that it has self-insurance and provide a written certificate of self-insurance to WSDOT with the first request for reimbursement, and annually thereafter. The CONTRACTOR will cover from its own resources the costs of repairing or replacing any Project facilities, associated equipment and/or infrastructure, if it is stolen, damaged, or destroyed in any manner.

B. If the damage to the Project does not result in a total loss, payments for damage shall be paid directly to the CONTRACTOR. The CONTRACTOR shall, within thirty (30) days, either: 1. Devote all of the insurance proceeds received to repair the Project and place it back in service, and the CONTRACTOR shall, at its own expense, pay any portion of the cost of repair which is not covered by insurance; or

2. In the event the CONTRACTOR certified to self-insurance, devote all funds necessary to repair the Project and place it back into service.

C. If the Project is a total loss, either by theft or damage, the insurance proceeds or equivalent shall be paid directly to the CONTRACTOR and within fifteen (15) days the CONTRACTOR shall pay WSDOT its proportionate funded share of such proceeds received. The CONTRACTOR shall within sixty (60) days of loss, theft, or damage, notify WSDOT that it either:

1. Intends to replace the lost Project facilities, associated equipment and/or infrastructure; or

2. Does not intend to replace the lost Project facilities, associated equipment and/or infrastructure.

D. If the CONTRACTOR intends to replace the Project facilities, associated equipment and/or infrastructure then WSDOT will reimburse the CONTRACTOR upon receipt of an approved invoice, funds up to the amount WSDOT received in insurance proceeds.
