

AGREEMENT NO. WCC-1908

**AGREEMENT
BETWEEN**

The State of Washington, Department of ECOLOGY
AND
City of Redmond

THIS AGREEMENT is made and entered into by and between the Department of Ecology, hereinafter referred to as "ECOLOGY", and City of Redmond hereinafter referred to as the "SPONSOR."

IT IS THE PURPOSE OF THIS AGREEMENT to provide Washington Conservation Corps (WCC) members to complete environmental or disaster services projects, pursuant to Chapter 43.220 of the Revised Code of Washington.

THEREFORE, IT IS MUTUALLY AGREED THAT:

STATEMENT OF WORK

Both parties agree to do all things necessary for or incidental to the performance of the work set forth in Appendix "A" attached hereto and incorporated herein.

PERIOD OF PERFORMANCE

Subject to its other provisions, the period of performance of this Agreement shall commence on 10/7/2019 and be completed on 9/10/2020, unless terminated sooner as provided herein. The WCC Crew and/or WCC Individual Placement corpsmember specified in this agreement will be available to SPONSOR on the dates set forth on the calendar in Appendix "B" attached hereto and incorporated herein.

COMPENSATION

The parties have determined that the cost of accomplishing the work herein will not exceed \$188,600. Payment for satisfactory performance of the work shall not exceed this amount unless the parties mutually agree to a higher amount. Compensation for service(s) shall be based on the following established rates:

Provided by ECOLOGY	Reimbursed to ECOLOGY by SPONSOR
1 WCC Crew (\$188,600 per crew)	\$188,600
Total SPONSOR COST	\$188,600
	<i>Above cost Not to be Exceeded</i>

The costs reimbursed to ECOLOGY by SPONSOR are a cost-share rate. Estimated value of a WCC crew is \$251,467 annually per WCC Crew consisting of five WCC/AmeriCorps Members and one WCC Supervisor and/or \$33,334 annually per WCC Individual Placement. Indirect costs are included in SPONSOR share at a standard rate of 5% of direct costs.

BILLING PROCEDURE

ECOLOGY shall submit invoices monthly to the SPONSOR's designated contact person listed under "Agreement Management" section. Payment to ECOLOGY for approved and completed work will be made by warrant or account transfer by SPONSOR within 30 days of receipt of the invoice. Upon expiration of the Agreement, any claim for payment not already made shall be submitted within 30 days after the expiration date or the end of the fiscal year, whichever is earlier.

AGREEMENT ALTERATIONS AND AMENDMENTS

This Agreement may be amended by mutual agreement of the parties. Such amendments shall not be binding unless they are in writing and signed by personnel authorized to bind each of the parties.

ASSIGNMENT

The work to be provided under this Agreement, and any claim arising thereunder, is not assignable or delegable by either party in whole or in part, without the express prior written consent of the other party, which consent shall not be unreasonably withheld.

ASSURANCES

Parties to this Agreement agree that all activity pursuant to this contract will be in accordance with all the applicable current federal, state and local laws, rules, and regulations.

CONFORMANCE

If any provision of this Agreement violates any statute or rule of law of the state of Washington, it is considered modified to conform to that statute or rule of law.

DISPUTES

In the event that a dispute arises under this Agreement, it shall be determined by a Dispute Board in the following manner: Each party to this Agreement shall appoint one member to the Dispute Board. The members so appointed shall jointly appoint an additional member to the Dispute Board. The Dispute Board shall review the facts, agreement terms and applicable statutes and rules and make a determination of the dispute. The determination of the Dispute Board shall be final and binding on the parties hereto. As an alternative to this process, either of the parties may request intervention by the Governor, as provided by RCW 43.17.330, in which event the Governor's process will control.

FUNDING AVAILABILITY

The obligation of the SPONSOR to provide reimbursements is contingent upon appropriation of funds by the SPONSOR's governing body for the specific purpose of funding the project, which is the subject of this Agreement. Upon the failure of such appropriation, the SPONSOR may terminate this Agreement.

ECOLOGY's ability to provide cost-share is contingent on availability of funding. In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date and prior to completion or expiration date of this Agreement, ECOLOGY, at its sole discretion, may elect to terminate the agreement, in whole or part, for convenience or to renegotiate the agreement subject to new funding limitations and conditions. ECOLOGY may also elect to suspend performance of the agreement until ECOLOGY determines the funding insufficiency is resolved. ECOLOGY may exercise any of these options with no notification restrictions.

GOVERNING LAW AND VENUE

This Agreement is entered into pursuant to and under the authority granted by the laws of the state of Washington and any applicable federal laws. The provisions of this Agreement shall be construed to conform to those laws. This Agreement shall be construed and interpreted in accordance with the laws of the state of Washington, and the venue of any action brought hereunder shall be in the Superior Court for Thurston County.

This Agreement is entered into pursuant to and under the authority granted by the laws of the state of Washington and any applicable federal laws. The provisions of this Agreement shall be construed to conform to those laws.

INDEMNIFICATION

To the fullest extent permitted by law, each party shall defend, indemnify, and hold harmless the other party, including officials, agents, and employees from and against all claims of third parties, and all associated losses arising out of or resulting from the performance of the contract. "Claim," as used in this contract, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or destruction of tangible property including loss of use resulting therefrom. Parties waive their immunities under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless the other party and their agencies, officials, agents or employees.

INDEPENDENT CAPACITY

The employees or agents of each party who are engaged in the performance of this Agreement shall continue to be employees or agents of that party and shall not be considered for any purpose to be employees or agents of the other party.

ORDER OF PRECEDENCE

In the event of an inconsistency in the terms of this Agreement, or between its terms and any applicable statute or rule, the inconsistency shall be resolved by giving precedence in the following order:

1. Applicable federal and state of Washington statutes, regulations, and rules.
2. Mutually agreed written amendments to this Agreement
3. This Agreement
4. Statement of Work and Budget.
5. Any other provisions of this Agreement, including materials incorporated by reference.

RECORDS MAINTENANCE

The parties to this Agreement shall each maintain books, records, documents and other evidence that sufficiently and properly reflect all direct and indirect costs expended by either party in the performance of the service(s) described herein. These records shall be subject to inspection, review or audit by personnel of both parties, other personnel duly authorized by either party, the Office of the State Auditor, and federal officials so authorized by law. All books, records, documents, and other material relevant to this Agreement will be retained for six years after expiration of this Agreement and the Office of the State Auditor, federal auditors, and any persons duly authorized by the parties shall have full access and the right to examine any of these materials during this period.

Records and other documents, in any medium, furnished by one party to this Agreement to the other party, will remain the property of the furnishing party, unless otherwise agreed. The receiving party will not disclose or make available this material to any third parties without first giving notice to the furnishing party and giving it a reasonable opportunity to respond. Each party will utilize reasonable security procedures and protections to assure that records and documents provided by the other party are not erroneously disclosed to third parties subject to state public disclosure laws.

RESPONSIBILITIES OF THE PARTIES

Each party of this Agreement hereby assumes responsibility for claims and/or damages to persons and/or property resulting from any act or omissions on the part of itself, its employees, its officers, and its agents. Neither party will be considered the agent of the other party to this Agreement.

Ownership includes the right to copyright, patent, register, and the ability to transfer these rights.

SEVERABILITY

If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this agreement, and to this end the provisions of this Agreement are declared to be severable.

TERMINATION FOR CAUSE

If for any cause, either party does not fulfill in a timely and proper manner its obligations under this Agreement, or if either party violates any of these terms and conditions, the aggrieved party will give the other party written notice of such failure or violation. If this Agreement is so terminated, the parties shall be liable only for performance rendered or costs incurred in accordance with the terms of this Agreement prior to the effective date of termination.

WAIVER

A failure by either party to exercise its rights under this Agreement shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement unless stated to be such in a writing signed by an authorized representative of the party and attached to the original Agreement.

STATEMENT OF WORK
Appendix A

Work summary:

Under direction of SPONSOR, crew(s) will perform restoration activities. Specific tasks could include invasive control, native species installation, plant nursery care, scientific monitoring, and fence installation or repair.

Special terms and conditions:

1. WCC resources (members, supervisors, tools and trucks) will not be utilized to clear active or abandoned homeless encampments and/or to clean up hazardous materials including hypodermic needles. If a significant amount of hazardous or unidentifiable material is discovered on a project site, activity will cease until SPONSOR mitigates potential hazards or finds an alternate project site.
2. WCC vehicle is not to be used for heavy hauling; the primary use is for transportation of crew, tools, and safety equipment. In the event that WCC vehicles are requested to tow SPONSOR-provided equipment (including rentals), SPONSOR is solely responsible for accidental damages, unless damages are caused by WCC negligence.
3. WCC is not responsible for normal wear and tear when project requires the use of SPONSOR-provided tools, equipment, or safety gear.
4. The assignment of members shall not result in the displacement of currently employed workers, including partial displacement such as reduction in hours of non-overtime work, wages, or other employment benefits. Agencies that participate in the program may not terminate, lay-off, or reduce working hours of any employee for the purpose of using a member with available funds. In circumstances where substantial efficiencies or a public purpose may result, participating agencies may use members to carry out essential agency work or contractual functions without displacing current employees.
5. All state holidays and shutdown weeks are non-working days for members. Shutdown weeks are to be used by WCC staff/supervisors for planning purposes. The WCC standard 40-hour schedule is Monday through Thursday from 7:00am to 5:30pm. An alternate schedule may be arranged with prior approval from the WCC.
6. Indirect costs are included in SPONSOR share at a standard rate of 5% of direct costs.

ECOLOGY shall:

1. Provide WCC members for the number of weeks specified in this agreement. Full-time crews and Individual Placements are available to SPONSOR for a maximum of 41 weeks (approx. 164 days) during the Federal AmeriCorps program service year (October-September).
2. Enroll members to begin service no sooner than October 7, 2019 and no later than October 21, 2019 to attain a full AmeriCorps scholarship. Member vacancies may be filled with a 900 hour, half-term AmeriCorps Education Award beginning March 25, 2020. Any further member enrollment for the remainder of the program year is at the discretion of ECOLOGY and based on availability.
3. In the event of a disaster response deployment, ECOLOGY will make every effort to fulfill SPONSOR needs, including sending additional members, whenever possible. Invoices will include all activities during the program year including training, community service events, and other activities required by WCC, excluding Emergency Response, if needed.
4. Provide training and development specified in Appendix "B": eight (8) days of formal WCC training, a four (4) day Orientation Training, one (1) day dedicated to MLK Community Service, and one (1) day for a debrief meeting near the conclusion of the term. An eight-day spike will be scheduled on dates to be determined in coordination with the SPONSOR. Beyond dates included in Appendix B, Ecology will schedule up to 4 additional days of Supervisor training during the term. WCC members and supervisors are logging hours on the dates identified for WCC-sanctioned events, but are unavailable to SPONSOR. ECOLOGY will provide a 4-day Assistant Supervisor training to the designated Assistant Supervisor.

5. For crew (s), ECOLOGY agrees to provide a crew of 5 members, a crew supervisor, vehicle, and basic hand tools. Cost-share rates are not based on actual attendance, however, invoices will be reduced for member or supervisor vacancies lasting 20 days or more.

SPONSOR shall:

1. Guide completion of appropriate projects for number of weeks specified in this agreement by providing logistical, technical and safety-related support necessary for project completion. Provide site orientation for WCC members, site-specific training, and materials beyond basic hand tools to complete tasks. Obtain and ensure adherence to applicable permits as set by local, state, tribal or federal laws and regulations.
2. Help to promote the AmeriCorps and WCC brands, logo, slogans and phrases. The WCC will provide camera-ready logo. AmeriCorps is a registered service mark of the Corporation for National and Community Service.
3. For a SPONSOR hosting Individual Placement positions, SPONSOR agrees to provide computer access, email, transportation to and from WCC events (or private mileage reimbursement), and day-to-day direction of activities.
4. For a SPONSOR hosting WCC Crew(s), SPONSOR shall provide a secure site to store tools and park crew vehicles as well as desk and internet access for the crew supervisor. In the event of theft, vandalism, or loss, the SPONSOR shall provide reimbursement (75 percent sponsor share) of expenditures and deductibles.
