

**CITY OF REDMOND
RESOLUTION NO. 1476**

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
REDMOND, WASHINGTON, AFFIRMING A COMMITMENT TO
CLIMATE ACTION THROUGH SUPPORT OF THE PARIS
CLIMATE AGREEMENT

WHEREAS, the City Council adopted Ordinance No. 1413, which approved a Climate Action Implementation Plan for the City of Redmond; and

WHEREAS, the Climate Action Implementation Plan presents a framework for climate change planning and outlines a series of strategies to reduce greenhouse gas emissions and energy consumption for both city operations and the community at large; and

WHEREAS, the City pledged, as part of the Climate Action Plan, to address climate change impacts at the local and regional level complementary to state and national strategies; and

WHEREAS, the Clean and Green community priority supports effective management of basic services providing a progressive and forward thinking City while improving the environment; and

WHEREAS, the City is a signatory on the Mayors' Climate Protection Agreement supporting the Kyoto Protocols; and

WHEREAS, the Paris Climate Agreement, as the successor to the Kyoto Protocols, provides for voluntary yet meaningful actions to

reduce greenhouse gas emissions, increase renewable energy and energy efficiency, and address environmental equity across sectors.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF REDMOND, WASHINGTON, HEREBY RESOLVES AS FOLLOWS: To affirm its commitment to climate action through its support of the Paris Climate Agreement by implementation of the City of Redmond Climate Action Implementation Plan and continued leadership in supporting local, regional, and national efforts to reduce greenhouse gas emissions.

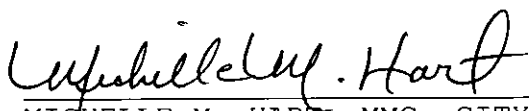

ADOPTED by the Redmond City Council this 18th day of July, 2017.
