(2) The insurance requirement of Section 10.62.160 shall be waived, provided that the event organizer has filed with the application a verified statement that he or she intends the special event purpose to be First Amendment expression and the cost of obtaining insurance is financially burdensome and would constitute an unreasonable burden on the right of First Amendment expression. The verified statement shall include the name and address of one insurance broker or other source for insurance coverage contacted to determine premium rates for coverage.

(3) Where the special event will require temporary street closures requiring the city to provide services in the interests of public health, safety, and welfare, the special event committee may condition the issuance of the

special event permit upon payment of actual direct costs incurred by the city to a maximum of five hundred dollars. Any fee schedule adopted by the city shall contain a provision for waiver of, or a sliding scale for payment of fees for city services, including police costs, on the basis of ability to pay.

(4) The city may deny a special event permit for a demonstration, rally or march if:

(a) The special event will substantially interrupt public transportation or other vehicular and pedestrian traffic in the area of its route;

(b) The special event will cause an irresolvable conflict with construction or development in the public right-of-way or at a public facility;

(c) The special event will block traffic lanes or close streets during peak commute hours on weekdays between seven a.m. to nine a.m. and four p.m. to six p.m. on streets designated as arterials by the city's public works department;

(d) The special event will require the diversion of police employees from their normal duties;

(e) The concentration of persons, animals, or vehicles will unduly interfere with the movement of police, fire, ambulance, and other emergency vehicles on the streets;

(f) The special event will substantially interfere with another special event for which a permit has already been granted or with the provision of city services in support of other scheduled special events; or

(g) The special event will have significant adverse impact upon residential or business access and traffic circulation in the same general venue.

(5) With regard to the permitting of expressive activity special events where the provisions in this section conflict with the provisions in any other section of this chapter, the provisions of this section shall prevail.

(6) Sections 10.62.100 and 10.62.110 of this chapter shall not apply to expressive activity special events.

10.62.150 Hold harmless.

(A) As a condition of the special event permit application under this chapter, the applicant shall agree to defend, indemnify and hold harmless the city, its officers, employees and agents, for any and all suits, claims or liabilities caused by, or arising out of any use authorized by any such permit.

10.62.160 Insurance required.

(A) Applicant is required to obtain and present evidence of comprehensive general liability insurance coverage in a form acceptable to the city, and naming the city as an additional insured. Certificates of insurance are to be submitted to the city for approval 30 days prior to the day of the event. Limits of coverage shall be determined by the city's risk manager at the time of application. The city's risk manager may require the applicant to obtain additional insurance coverage, based on the level of risk associated with the event. The city shall not be

deemed to have assessed all the risks that may be applicable to the event. Applicant shall be responsible for assessing the risks of the event and obtaining additional insurance coverage if appropriate and prudent.

10.62.170 Application and permit fees, additional fees and cost recovery.

(A) A non-refundable application fee for permit processing is required at the time of application. This fee is established by council resolution, in accordance with Ordinance No. 1480 and periodically adjusted in accordance with Resolution No. 1072, establishing the Parks and Recreation Department User Fee Schedule, and as amended by succeeding resolutions amending the schedule.

(B) Special event permit fees are based on a flat fee schedule, depending on the duration and participation level of the event. These fees are established by council resolution in accordance with Ordinance No. 1480 and periodically adjusted in accordance with Resolution No. 1072, establishing the Parks and Recreation Department User Fee Schedule, and

as amended by succeeding resolutions amending the schedule.

(C) Additional fees associated with permit conditions (i.e., other permits or licenses required, International Fire Code permits, utilities, security, etc.) are in addition to the flat fee schedule. Additional fees and city costs associated with providing support services for the special event shall be estimated in advance, documented and provided to the applicant. Those costs incurred by the city in support of the event activities including, but not limited to, city staff wages and benefits, overtime, materials, and equipment shall be the actual total costs incurred by the city, and shall be the sole responsibility of the applicant/event organizer. Payment of these additional fees and estimated costs shall be paid in full not later than thirty (30) days in advance of the event.

10.62.180 Refund of fees.

(A) Fees charged from the fee schedule are refundable, with the exception of the non-refundable application fee, if the special event is canceled after the permit is issued, and written notice is

received by the special event permit coordinator thirty (30) days prior to the date of the event. Fees charged from the fee schedule will not be refunded for event cancellation notices received within thirty (30) days of the event date.

(B) Refund of payment for direct city services may be made if the actual cost to the city for providing the service is less than the estimated cost. In that case, the city shall refund the applicant/event organizer within thirty (30) days after the event. If actual cost to the city for providing the services is greater than the estimated cost, the applicant/event organizer shall pay the additional charges within thirty (30) days after the event.

10.62.190 Access - By police and fire personnel.

(A) All police officers of the city and/or the chief of police and the fire marshal shall have free access to special events for the purpose of inspection and to enforce compliance with the provisions of this chapter and other applicable city, county and state health, zoning, building, fire and safety ordinances and laws.

10.62.200 Permit limited to permit holder and location.

(A) Any permit issued under the provisions of this chapter shall apply to a single licensee and to the location spelled out in the permit and shall not be transferable to other locations.

10.62.210 Enforcement of code.

(A) In accordance with RMC 1.14.020, all special events shall comply with city regulations in an effort to protect the public and the environment while working cooperatively with affected residents, businesses and property owners.

10.62.220 Applicability.

(A) All special events within the city shall be regulated by the provision of this chapter, regardless of whether a special event permit was obtained from the city prior to or after the effective date of the ordinance codified in this chapter.

Section 4. Severability. If any section, sentence, clause or phrase of this ordinance should be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity

or constitutionality of any other section, sentence, clause or phrase of this ordinance.

Section 5. Effective date. This ordinance shall become effective five days after its publication, or publication of a summary thereof, in the city's official newspaper, or as otherwise provided by law.
