FIRE DEPARTMENT FEES
City of Redmond

E. Penalties, Hourly Rates and Other Fees

1. Penalties:

Penalties shall conform to the City of Redmond Enforcement Regulations. The following shall apply.

- Fees shall be doubled for work begun without a valid permit for the first infraction in one year.
- Fees shall be five times original fees for work done without a permit for the second and each subsequent infraction in one year.
- Work done without a permit may also result in stop work orders or other actions or remedies. Actions may include the loss of the applicant's business license.

2. New and Existing Construction - Hourly Rate \$190.19*

One submittal will be processed under the initial permit, review and inspection fees. The original permit, review, and inspection fee covers one inspection and one reinspection to verify compliance for each inspection type.

Additional plan review/revisions	For revisions to plans with an issued permit or for significant changes to plans currently in review, additional review time will be charged at the hourly rate.
Plan review extension	Submittals that are in plan review and have not been approved may have the expiration date extended up to 365 days at a fee equal to one half the prevailing hourly rate noted above. One plan review extension is allowed.
Permit extension	Issued permits that are not expired may have the permit expiration date extended up to 365 days at a fee equal to one half the prevailing hourly rate noted above.

3. New and Existing Construction - 2nd and subsequent Reinspection \$250.00*

The original permit, review and inspection fee covers one inspection and one reinspection to verify compliance for each inspection type. Additional inspections for the same inspection type will be charged the above reinspection fee.

4. New and Existing Construction - After-hours Hourly Rate \$190.19

After-hours plan review	After-hours plan reviews (when available) shall be charged the prevailing hourly rate for a minimum of two hours. The 2-hour time includes permit processing and mark-up of plans. When an expedited plan review requires more than 2 hours, additional time will be charged at the prevailing hourly rate.
After-hours inspection	<p>The rate for inspection outside of regular business hours (when available) shall be charged at the prevailing hourly rate for a minimum of two hours. The 2-hour time includes the inspection and writing of inspection reports, as applicable. When an after-hours inspection takes longer than 2 hours, additional time will be charged at the prevailing hourly rate.</p> <p>Notice of after-hours inspection cancellation must be provided to Redmond Fire Prevention at least 48 hours (2 business days) prior to the scheduled inspection. Failure to provide 48-hours' notice will result in a forfeiture of the after-hours inspection fee.</p>

5. New and Existing Construction – Technical Review

The hourly rate shall be charged for the processing of extensive technical reviews associated with such involved issues as high-piled storage, hazardous materials, and flammable liquids. These reviews may be outsourced for third party review and charged at third-party cost rates.

City Performed	\$285.28*
Third-party	Third Party Cost**

*A 3% technology surcharge will be applied in addition to the listed fee as authorized by Ordinance No. 2090; extended by Resolution No. 1162 on December 3, 2002; revised by Resolution No. 1190 effective July 1, 2004.

**The technology surcharge fee will also be applied on outsourced third party costs.

FIRE DEPARTMENT FEES
City of Redmond

E. Penalties, Hourly Rates, and Other Fees (continued)

5. New and Existing Construction – Permit Reactivation

Permits shall automatically become invalid if there have been no inspections of the authorized work in the last 365 days or if the work is suspended or abandoned for 365 days after an inspection has been conducted. Before work can recommence, the permit shall be reactivated at a fee equal to one-half the new permit fee amount, provided no changes have been made to the original construction documents. A new permit shall be obtained if more than 365 days have passed from the date of expiration or changes have been made to the original construction documents.

6. Special Review Processes:

Quick Start Permits: These permits shall be charged at the same rate as regular permits. Quick start permit fees are non-refundable and due at the time of permit submittal.

7. Existing Building and Occupancy Fire Inspections – Reinspections

Initial inspection	No Charge
First re-inspection	No Charge
Second re-inspection	No Charge
Third re-inspection	\$100.00
Fourth and subsequent re-inspections	\$250.00

6. Preventable Fire Alarms

\$433.28/hr. *

- a) The fee shall be the combined active-duty hourly rates of one pumper truck and three fire suppression personnel as listed in Table F.
- b) An hourly charge of no less than one hour's fee shall apply for each preventable alarm requiring a fee.
- c) Problematic systems may not qualify for fee relief and may be subject to additional fees.
- d) Failure to provide an approved and required fire watch will result in a fee of not less than that noted in (a) above.

*A 3% technology surcharge will be applied in addition to the listed fee as authorized by Ordinance No. 2090; extended by Resolution No. 1162 on December 3, 2002; revised by Resolution No. 1190 effective July 1, 2004.

**The technology surcharge fee will also be applied on outsourced third party costs.

Section G.

Administrative Guidelines for Fire Code Operational and Installation Permits; Re-inspection Fees; and Preventable Fire Alarm Fees.

1. Annual operational permits will be issued for one year (12 months) based upon the first day of the month in which the permit became required.
2. The annual maximum fees per facility or company are based upon the calendar year. A facility's fees shall not exceed \$2,500 per year.
3. Additional annual operational permits may be prorated to correspond with an existing permit's annual renewal date. The pro-ration shall be based upon the number of days remaining on the existing permit divided by 365 days, multiplied by the additional fee required.
4. City of Redmond-sponsored events requiring operational permits shall be issued permits at no cost unless the City of Redmond has hired vendors or contractors to provide such services for which the vendors or contractors directly profit. In such cases, the vendor or contractor shall obtain and pay fees for required permits.
5. City of Redmond facilities requiring operational permits shall be issued permits at no cost unless the City of Redmond has leased or rented that portion of the facility requiring the permit to another organization. In such cases, the lessee or renter shall obtain and pay fees for required permits.
6. Non-profit organizations designated as an IRS 501 (c) (3) organization shall be issued operational permits at no cost.
7. The Fire Code Official (FCO) shall have the authority to resolve disputes related to the assessment of all Redmond Fire Department User Fees.
8. The Fire Code Official (FCO) shall have administrative authority to adjust the fee to apply to any individual operational or installation permit where, in the professional opinion of the FCO, the specific circumstances of the use do not well fit the level description found in this fee schedule or where an adjusted fee is part of the resolution of a dispute regarding the application or administration of this fee schedule. The adjustment to be made shall be limited to no more than 50% above or below the fee set forth in this fee schedule.
9. The installation permit will serve as the operational permit for a period of up to one year from the last day of the month in which the installation permit became required.
10. Public School Districts shall be issued Place of Assembly Operational permits at no cost.
11. A 3% technology surcharge will be applied in addition to the listed fee as authorized by Ordinance No. 2090; extended by Resolution No. 1162 on December 3, 2002; revised by Resolution No. 1190 effective July 1, 2004.
