LOGGING CONDITIONS	GENERAL REMARKS
<p>Good, but no timber to log. Most of it has been removed for a long time.</p>	<p>Fire has been over almost the entire section. On S.W.-S.E. has an old house but of no value and a small orchard in a small clearing, no good all gone back. Underbrush is small fir and hemlock. S.W.-N.E. has 2 house on it worth about \$400. and a small clearing. One is a ranch; the other nothing. N.W.-N.E. has two houses, one house worth about \$800. and the other about \$200. The W<math>\frac{1}{2}</math> of 40 has about 8 acres cleared and about 4 acres cleared on E<math>\frac{1}{2}</math>.</p>
<p><b>SPECIAL REMARKS</b></p> <p><small>Indicate on Topographic Map Location of Mines, Coal Outcroppings, Water Purses, Railroads, Piers, and All Information Not Shown on the Section, Giving Full Information Regarding same in following Item</small></p>	
<p>The land is all gravel and sand and clay. They are asking \$50. per acre, but \$8.00 per acre is a fine value.</p>
