

City of Redmond Stewardship Highlights: 2019

Green Redmond Partnership

The City of Redmond works through the Green Redmond Partnership and other partners to build a sustainable network of healthy urban green spaces for the benefit and enjoyment of our entire city. Green Redmond Partnership, along with its major partner, Forterra, is committed to restoring all 1,035 acres of Redmond's forested parkland into active management. To accomplish this mission requires the dedication and hard work of many volunteers. In 2019, Green Redmond Partnership sponsored 17 community events, most of which were focused on removing invasive plants and planting native plants.

Key park/open space restoration events hosted by Green Redmond Partnership took place on the following dates:

January 16
January 19
February 20
February 23
March 16
March 30
April 6 (2 events)
April 13
April 27
May 9
May 25
July 6
July 11
July 28
August 21
September 28
October 26

Other Restoration Events Sponsored by the City and its Partners

October 5 (with EarthCorps)
November 16 (with EarthCorps)
