

NOTICE OF UPCOMING CONSTRUCTION: WASTEWATER PUMP STATION #13 REPLACEMENT

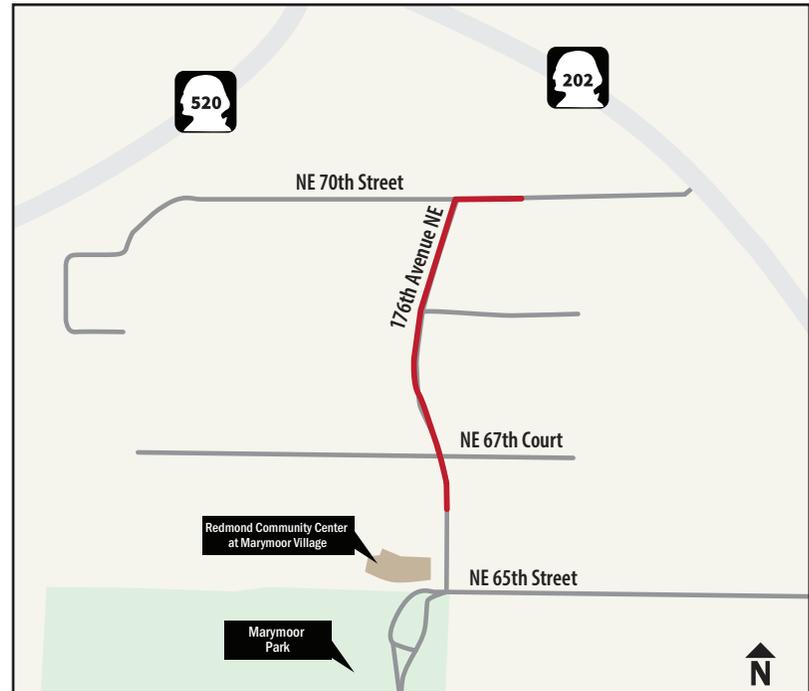

City of Redmond Community Center at Marymoor Village, 6505 176th Ave NE, Redmond

What You Can Expect:

- Construction activity at the community center site as well as in NE 70th Street and 176th Ave NE
- **Timeline:** Construction is expected to begin June 2020 and be completed in August 2021. (Schedule may be delayed due to impacts from COVID-19.)
- **Work hours:** 7 a.m. to 5 p.m. (There may be overnight work to help mitigate traffic impacts.)

This project will:

Replace the aging Wastewater Pump Station #13 and provide more capacity to accommodate growth in the neighborhood. The new station will pump up to 2,000 gallons of wastewater per minute into a new 12-inch force main along 176th Ave NE and NE 70th St. The wastewater will discharge to the King County wastewater collector. Approximately 1,400 feet of gravity sewer will also be replaced when the new force main is installed.

City of Redmond
PO Box 97010 1NPW
Redmond, WA 98073
