Redmond’s 2030 transportation system supports Redmond’s vision for vibrant urban centers in Downtown and Overlake, connected neighborhoods and a sustainable community.

Movement of people, goods, and freight both locally and regionally is provided by street, light rail, transit, pedestrian, and bicycle systems that are complete and fully integrated.
Redmond Vision
Redmond is a vibrant, complete city — two Urban Centers and connected neighborhoods with high quality services for an engaged citizenry.

Community Input
- Community Priorities
- Comprehensive Plan

Citywide Guiding Principles
