

Comprehensive Plan

Redmond's [Comprehensive Plan](#) establishes the City's future planning and policy direction, providing a 20-year vision for how the City will grow and develop. The [Housing Element](#) of the Comprehensive Plan provides specific guidance to ensure steady progress toward the community's vision with respect to achieving housing goals.

The Comprehensive Plan is currently being updated: the Growth Management Act (GMA) requires that each Washington city and county periodically review, and if needed, revise its comprehensive plan and development regulations as part of a **periodic review (RCW 36.70A.130)**. The [Redmond 2050](#) update during 2020 - 2023 will be a comprehensive and coordinated approach for completing the required periodic review.
