# Agenda

- Community involvement opportunities
- How Themes will be integrated

## Study Session Focus:

- Working Definitions
- How Themes will be integrated into Redmond 2050 project

# **Opportunities for Community Involvement**

# Listening to Community Stories:

- What does this theme/concept mean to you? Does our working definition need any adjustment?
- What does [theme] mean to your daily experiences in our community?
- What stories would you like to share that would help us understand your thoughts on this theme?
- How does/should [theme] impact our built and natural environment?

# Discussion

# Working Definitions

- *Created by cross-departmental team.*
- *Based on definitions the City has been using for other projects where possible.*

## QUESTIONS:

- **What does this theme/concept mean to you?**
- **Does our working definition need any adjustment?**

# Equity & Inclusion

*All residents can fully and effectively access city services, influence city policy and direction, and feel a sense of belonging and safety. Impacts and opportunities are distributed fairly throughout the community so that all can benefit from community resources.*

# Sustainability

*Foster a thriving, healthy, diverse, and resilient Redmond for all generations while advancing the community's environmental vitality, social equity, and economic prosperity.*

# Resiliency

*Capacity of communities to adapt and grow through chronic or acute stressors in the system. Action during unexpected events is allowed.*

**FLEXIBILITY INTO  
PLANNING**

**WITHSTAND  
SHOCK**

**ADAPT TO  
CHANGE**

**PURSUE YOUR  
GOAL**

**ANTICIPATE  
RISK**

**PROTECT WEAK  
SPOTS**

# Technology Forward

*A collaborative approach to the modernization, optimization, and personalization of city services through the use of technology and data-informed policies.*

# Themes Discussion

- Any existing Comp Plan section/policy that you'd like to flag for review/update/add?
- What does [theme] mean to your daily experiences in our community?
- How does/should [theme] impact our built and natural environment?

# Next Steps

# NEXT STEPS

# Integrating Themes

## Element Review

- Strengths and deficiencies of the Element in regard to advancing the theme; and
- Identifying if there is anything missing, or any changes needed, to support advancing these themes.

## Policy Review

- Does this policy option/alternative/draft language advance or hinder this theme?
- Are the options/alternatives in line with community and City leadership priorities?

**Thank You**
