

MEMORANDUM

To: Planning Commission

From: Jeff Thompson, Senior Engineer
Redmond Wastewater Utility, Public Works

Date: June 9, 2021

Subject: 20-21 Docket | City of Redmond General Wastewater Plan Update

PURPOSE

The purpose of this agenda item is for the Planning Commission to approve its report recommending approval of the General Wastewater Plan Update.

BACKGROUND

The City Wastewater Utility has completed a [draft of the City of Redmond General Wastewater Plan Update](#). This is a functional plan, required by the Washington State Growth Management Act and based on the City's current zoning allowances assuming built-out conditions. The plan ensures the City is prepared for expected growth by identifying where pipes, pumps, and other wastewater infrastructure need to be extended or replaced.

The Planning Commission recommended approval of the plan as presented at its May 26, 2021 meeting. The attached report documents the Planning Commission's recommendation that the City Council.

NEXT STEPS

City Council review and action, anticipated to be complete in August 2021.
