Subject: Neighborhood discussion on proposed project – Sammamish – Juanita 115kV transmission line project, LAND 2020-00198

Join us at an online neighborhood meeting to discuss Puget Sound Energy's (PSE's) Sammamish – Juanita 115 kilovolt (kV) transmission line project. This meeting will be held prior to the City of Redmond taking action on the project.

We'd like you to review the proposed project, ask questions and provide your input. Please refer to the vicinity map on reverse for the project location.

Meeting details:

Given the current public health guidelines about the coronavirus (COVID-19), we're conducting this meeting online to ensure the health and safety of staff and residents. Thank you for your flexibility during this unprecedented time. Our goal is to ensure your safety while providing a forum for interested individuals to engage with the applicant and the City to learn about the proposal and ask questions early in the review process.
