

GET MONEY TOWARD YOUR ENERGY BILLS!

Hopelink's Energy Assistance Program gives you money toward your heating and electricity bills. You do not need to be behind on payments to qualify! If you meet the income guidelines below, you can apply for energy assistance every year.

WHAT YOU NEED TO KNOW

- There are two available grants: LIHEAP & PSE HELP
- You can apply every year beginning in October
- You don't have to be behind on payments
- Grant amounts vary based on:
 - Heating costs over the last 12 months
 - Household monthly income
 - Number of people in your household

WATER ASSISTANCE

- Clients who are eligible for LIHEAP may also be eligible to receive water assistance.
- Please provide a recent water bill at your appointment or when you submit application documents.
- Water bills must be in the applicants' name and charged directly from a water/sewer district or city water utility.
- Questions? Please email EnergyPrograms@hopelink.org
