Matt and Scott,

In addition to the comments that the Snoqualmie Tribe has made on this Short Plat, we would like to add that if a seasonal stream is on this property and has been modified through piping, ditching, relocation, etc. the applicant needs to demonstrate that this work was fully permitted as applicable under local, state, and federal regulations or is definitely exempt from permitting.

Thank you,
Karen Walter

Mr. Reynolds,

Please find comments from the Snoqualmie Indian Tribe attached to this email. Thanks for the opportunity to comment.

Sincerely,
Matt
