Q4 In the coming years there will be construction on the buildings and streets in Redmond. What does your business need to hel...

Question options

- Know when and how construction will affect our property.
- Help promoting our business and making it easy for customers to get to our business during construction.
- Maintained parking for customers and employees during construction.
- More affordable options for commercial space such as shared retail spaces, space for food trucks, etc.
- More flexibility to do business in Redmond (such as allowing more home-based businesses).
- More housing in this neighborhood, so we can access more customers and/or potential employees.
- Better transportation options for people—including our employees—to get around without a car.
- Improved traffic.
- More family-friendly features, such as family housing, schools, parks, and community services.
- Easier and safer ways to walk around this neighborhood.
- More commercial space that meets our needs. (Please describe in more detail)
