

The City of Redmond partners with many wonderful organizations serving individuals and families right here in our community. Please consider helping meet the community needs in one of the following ways.

[CONGREGATIONS FOR THE HOMELESS](#)

Consider a gift today to support our [Share Joy](#) holiday campaign. We rely on community members like you to help men in need. Your support helps us to fulfill our mission of partnering with men and the community to create a path from homelessness to stable living.

[FRIENDS OF YOUTH](#)

Every year before the holidays, young people request items that would make a difference for them, and help them achieve their goals. To participate in the Friends of Youth Giving Tree, visit friendsofyouth.org/givingtree and select a gift from our Amazon Wish List. Gifts can be shipped directly to Friends of Youth, or dropped off at our office at 13116 NE 132nd Street, Kirkland, WA 98034.

[HOPELINK](#)

Lend a helping hand this year by donating a [holiday gift card](#) to a family in need. The work that Hopelink does in our community is essential. From providing food and shelter for families, to delivering emergency financial assistance in order to prevent eviction, providing stability in crisis is a crucial first step in our theory of change.

[LIFEWIRE](#)

Bring joy to survivors and their families in our community this holiday season. Your generous donations of gift cards, toys, warm clothing, and household items will fill the shelves of our [Holiday Shop](#), allowing survivors to choose what their family most wants and needs. After December 3, please consider making a monetary donation [here](#).

[NOURISHING NETWORKS](#)

Help families with children in the Lake Washington School District address food insecurity this holiday season and beyond. Consider a [cash donation](#) to Families Helping Families which will be used to stretch farther than individual grocery items.

[OPEN KITCHEN](#)

In their 9th year of service, Redmond United Methodist Church's Open Kitchen now serves over 200 community dinners every single Wednesday evening. There is a need for cookies to supplement the main courses prepared by their dedicated volunteers. Cookie sign up [here](#).

[THE SOPHIA WAY](#)

Help to shelter women experiencing homelessness from a harsh winter. Support their journey to safe and stable living by donating something from the [Amazon wish list](#) or sign up to [bring a meal](#) in 2022!

[YWCA](#)

It's the time of year again when we invite our community to be a part of providing holiday meals and contributing to the 2021 Adopt-A-Family, our annual holiday gift drive. The Adopt-a-Family program will be supporting families in permanent supportive housing at Family Village-Redmond. [Click here](#) to see how you can help!
