

## Attachment A: Cinco de Mayo Dot Questionnaire Results

Participants were invited to choose their top three priorities for what the City should encourage for future development in Downtown. Participants were also invited to add their own ideas. The questionnaire was provided in the form of a “dot board” in English and Spanish.

### What should the City encourage for future development in Downtown?

Category	Vote s

## “Other” Ideas - Raw

<b>Idea</b>	<b>Votes</b>
More dog parks	10
Don't keep putting apartments everywhere and destroying all the nice things. Put some art or other engaging/inviting things.	6
Hartman Dog Park	5
Close Cleveland St to host farmers market / art fair weekly	5
More green spaces and people/walking-friendly options	5
No high rise building	4
More small child play area with water and splash	4
More bus routes (with more frequency); ex. Redmond --> Woodinville	3
More housing to buy (condos) not rent	3
Pickleball courts	3
Pleasant walking - shade & trees	3
Dog Parks	3
Less construction	2
Senior affordable housing	2
A fountain where some sides of the fountain represent different cultures or countries	2
More greenspace	1
Senior spaces	1
Horse riding school	1
Indoor recreation! Rock climbing, bowling, arcades, boxing...	1
Eastside branch of UW Medicine	1
People having fun, people laughing and enjoying time	1
A cat petting zoo and a dog petting zoo, too!	1
Art	1
Emergency public phones	1
Swimming pool	1
Some tall buildings	1
Therapy pool like Bellevue Aquatic Ctr for seniors & disabled, but larger	1
Low income quiet 600 sq ft apartments; 1st floor for seniors and persons with disabilities	1
Quiet, more trees, let Gary, Indiana & West Virginia get the growth. Low-income housing with trees & parks.	1
More infrastructure for app single user transportation like Lime bikes	1
A dog park for dogs and kids	1
Parks	1
<b>Total</b>	<b>77</b>
