Commented [KD1]: Per Annual Code Cleanup – a request from the community as follows: Staff received three requests during 2021 for the opportunity to locate and manage bee hives at the rooftop level of nonresidential buildings such as in Business Parks, Manufacturing Parks, and at mixed use buildings. This amendment would increase the allowances for beekeeping and provide the criteria through which the hives could be located in nonresidential zones. This allowance for beekeeping would also ensure similarity of city regulations to other cities in the Puget Sound region. Staff is also researching implementation of SECOND SUBSTITUTE SENATE BILL 5253 POLLINATOR HEALTH—VARIOUS PROVISIONS EFFECTIVE DATE: July 25, 2021

Commented [KD2]: Added to create clarity and consistency with RCW terminology. Based on a community comment regarding native bees versus other bees and the regulation of beekeeping across the state.

Commented [KD3]: Proposed amendment expanding allowance for beekeeping.

RZC ReWrite: Proposed amendment per community request. The Annual Code Cleanup, being undertaken with the ReWrite for efficiency, considers community requests for changes to the code on an annual basis.
