

Appellant's Exhibit 5

(as referenced in June 30, 2017

Appellant WPDC Cleveland LLC's Witness and Exhibit List)

Michael J. Read, P.E.

Principal

Profile

Michael Read, P.E., is a principal engineer and founder of Transportation Engineering Northwest. His diverse experience includes corridor studies, transportation impact analyses for SEPA/NEPA environmental assessments and impact statements on individual projects and programmatic assessments, campus master planning, multimodal transportation design, traffic operations analysis, spreadsheet model development and financial analysis, transportation alternatives analysis, transit and nonmotorized planning. He has accumulated nearly 30 years of experience in the transportation engineering profession.

He has served as project engineer for a variety of corridor and new roadway studies throughout the Northwest including Vancouver, SeaTac, Bellingham, Ellensburg, Southeast Alaska, and Spokane. Mr. Read has also made extensive use of both manual methods and computer software to translate model forecasts into travel speeds, delays and LOS values for congestion and air quality analysis.

Education:

Bachelor of Science, Civil Engineering, University of Washington

Years of Experience: 28

Registrations:

Registered Professional Engineer (Civil)

State of Washington
Certificate 33235

State of Oregon
Certificate #62644PE

Member - Institute of Transportation Engineers (ITE)

ACCOMPLISHMENTS:

APA Merit Award, 2007,
Eatonville Town Center and Corridor Program

2010 Governor Smart Vision Award - City of Snoqualmie
Downtown Master Plan

2010 Governor Smart Choices Award - City of Chehalis
Downtown Revitalization Plan

Selected Project Experience

Recreational, educational, institutional, and campus related studies include:

- Kitsap County Fairgrounds Master Plan
- Millennium Park Master Plan - Lake Oswego, OR
- Sprinker Recreational Center - Pierce County
- Boys & Girls Club of King County - Sammamish, WA
- Chambers Creek Master Plan - Pierce County
- Meydenbauer Bay Master Plan - Bellevue, WA
- Skagit Valley College - Whidbey Campus
- Federal Center South Master Plan - Seattle, WA
- Skagit Valley College Master Plan - Mount Vernon Campus
- Mount Vernon High School Master Plan
- LaVenture Middle School Expansion - Mount Vernon, WA
- Skagit Valley Performing Arts Center
- Fircrest School and Campus Master Plan - Shoreline, WA
- Unigard Campus Master Plan - Bellevue, WA
- Shoreline Community College Master Plan
- Highlands Elementary School - Renton, WA
- Squaticum High School - Bellingham, WA
- Bellingham Technical College Expansion
- Longacres Office Park - Renton, WA
- Shoreline High Technology Learning Center
- Port Quendall Mixed-Use Development - Renton, WA
- Gresham Civic Neighborhood and Transit-Oriented Development
- Westminster Retail Redevelopment - Shoreline, WA
- Salish Lodge Expansion - Snoqualmie, WA
- Green River Community College Master Plan - Auburn, WA
- Puyallup Tribe of Indians Master Plan - Tacoma, WA
- Boeing Renton Comprehensive Plan EIS - Renton, WA
- Tukwila South EIS - Tukwila, WA
- Salish Lodge Expansion - Snoqualmie, WA
- Semiahmoo Resort Communities - Birch-Bay, WA
- Centennial Trail Phases 1 and 2 - Snohomish County, WA
- Cheshiahud Lake Union Trail and Master Plan - Seattle, WA
