Jason, I hope this email finds you well. I believe you have talked with my business partner a few times, Jon Sherman. We are in the process of purchasing 16390 Cleveland St. in Redmond and our financing company has asked for confirmation that the property complies for i502 retail use. We have a preapp meeting with the city on September 1st. Would you mind responding to this email with confirmation?

Thank you in advance for your help.
