Appeal to the Hearing Examiner of a Technical Committee Decision to deny a request for extension

Rose Hill Cottages (File #LAND-2013-01720)

1. Decision by the Technical Committee to deny a one year extension of the Rose Hill Cottages Site Plan Entitlement (File #LAND-2013-01720) pursuant to the Redmond Zoning Code (RZC 21.76.090).
2. The City of Redmond Zoning Code (RZC 21.76.090) provides for extensions on a “yearly basis by the approval authority upon showing proper justification.” Proper justification consists of one of more of the following:
  - a) Economic Hardship
  - b) Change of Ownership
  - c) Unanticipated construction and/or site design problems
  - d) Other circumstances beyond the control of the applicant determined acceptable by the approval authority

The city erred in its decision on this extension request. This extension qualifies under both paragraphs (c) and (d) of the above referenced conditions.

The applicant has been working with Toll WA LP (aka, Toll Brothers) and city staff on site and feasibility analysis regarding a new SPE application for the property to resolve unanticipated site design problems. This new application has encountered delays at the city planning level which are beyond the control of the applicant. These substantial efforts to make progress on the entitlements should qualify this approved SPE for a one year extension.

3. The Hearing Examiner should direct city staff to approve the extension request of the Rose Hill Cottages Site Plan Entitlement (File #LAND-2013-01720).
4. The extension request of the Site Plan Entitlement approval will be demonstrated through evidence presented during the appeal hearing.
