Development Review Fees Notes

- These fees are effective per Resolutions 1541
 - If two or more land use permits are necessary and neither state "in conjunction with another land use permit" then only the higher of the two fees shall apply.
 - Projects that begin the PREP process abandon it in order to file an application shall pay the fees under the Formal Process. No credit shall be given for those fees paid under the PREP process.
- 1 Please confirm with Planner on Call or assigned Project manager as to whether your project qualifies under code as meeting the "in-conjunction" with other permits requirement or the fee is waived per 21.76.030.2.
 - 2 Subject to subsequent amending by King County.
