

# SEARCHING FOR GREAT EMPLOYEES? HOPELINK CAN HELP

## Hopelink Employment Services

Serving the employment needs of north and east King County businesses.

### Who we are

Hopelink Employment Services connects qualified candidates to the hiring needs of businesses in the north and east King County region. We are a part of Hopelink, a non-profit agency that has been serving low-income families and individuals in this region for 40 years. The Hopelink approach promotes self-sufficiency to create lasting personal and community change. Employment is a key component to a strong and stable community.

## What we do

- We bring together businesses and qualified, motivated workers to provide employment solutions that better the community.
- We establish mutually beneficial relationships with businesses that fill their employment needs.

## We offer employers

- Pre-screened applicants who are qualified, motivated, and ready to make a contribution to your business.
- Entry level to skilled applicants in fields such as office support, customer service, product assembly, call center, retail, restaurant and hotel, custodial, facilities and maintenance, driving/transportation, warehouse and construction.
- Applicants with multi-lingual skills and cultural competence to be effective with diverse customers and coworkers.
- Action planning with the new employee to start right on the first day of the job.
- Ongoing workplace coaching with the employee and consultation with the supervisor for up to one year after hire to solidify retention and reduce turnover.

## Our services are offered at no cost to you.
