VALA (Venues for Artists in the Local Area) in partnership with the City of Redmond seeks Interactive Community Booths for **SO BAZAAR NIGHT MARKET—Thursdays, August 15, 22, and 29, 2019 (5–10pm)**.

“So Bazaar” is a pop-up night market held during the last three Thursdays in August. For the past few years, the So Bazaar Night Market has drawn a crowd of approximately 4,000 to 7,000 people every night who come to experience an evening of visual, performance, and culinary arts. This year, the event will explore creative experiences through evenings inspired by the overarching theme, METAMORPHOSIS, and a different sub-theme each week:.

In 2019, So Bazaar will be located in both Redmond Central Connector Park and Downtown Park (between 161st Ave NE & Leary Way NE, and between Cleveland St. and the Bear Creek Parkway). The Community Booths will be located in AIR on Thursday, August 15th, WATER on Thursday, August 22nd, and FIRE on Thursday, August 29th Downtown Park.
